TEACHER PLAN

Lesson 10 (Week 11)

Step by Step

At a glance · Clock-time plan · Step by step · Script and answer key

How to Use This Plan

You don't need to speak Spanish or any other language. Teach in English. Show, point, and gesture. Each Grammar page has one short Spanish note and one tip for speakers of other languages. Learners read them on their own. You never need to read, translate, or explain them.

Instructions: use the same short task words every week: *Listen. Circle. Check. Write. Work with a partner. Work in a group. Ask a follow-up question.* Learners have the Task Words page from Lesson 1.

Instruction rule: Model it (do it with one learner while everyone watches), **check it** (ask: "Do you write or speak? How many people do you talk to?"), **then go**. Say less, show more.

Grouping toolkit: *Pairs:* turn to a neighbor; with an odd number, make one group of 3. *Groups:* 3–4 learners. *Inside–outside circles:* the inner circle faces out, the outer circle faces in; the outer circle moves one person to the right each round. *Mingle:* everyone stands and talks to many classmates. The teacher joins a pair only if one learner is left over.

When a learner is stuck or speaks another language to you: (1) show it: the picture, a gesture, or the board; (2) give one more short English example; (3) point to the grammar box on their page; (4) a classmate can help for a few seconds, then back to English. You don't need to understand what classmates say to each other.

Lesson 10 (Week 11): Step by Step

Objectives: learners can…

- give instructions in order with *first*, *next*, *then*, *after that*, *finally*
- follow spoken instructions and number the steps

Key vocabulary (with pictures on the New Words page)

★ instructions • ★ step • ★ press • ★ plug in • ★ turn on / turn off • ★ laundry • ★ detergent • ★ safety goggles • ★ label • ★ tablet (medicine) • ★ password • log in

Clock-time plan

Times are loose. If a step runs long, take time from Read & Write first, then from Talk Time.

Time	Step	Min	Grouping (15 / 7–8)	If running behind
6:00–6:10	**Opening Talk + Homework Check**	10	Pairs (7 pairs + 1 trio / 3–4 pairs)	One card only
6:10–6:18	**New Words** (picture page) + pair game	8	Whole class, then pairs	Teach the ★ words only
6:18–6:30	**Listening:** play 1 (Task A), play 2 (Tasks B and C) + "Say it"	12	Individuals, then pairs check	Do Task C together on the board
6:30–6:45	**Grammar Q&A:** sequence words + imperatives; *Don't…*; *How do I…?* + pair drill	15	Whole class, then pairs	Skip the pair drill; Talk Time practices it
6:45–7:00	BREAK	15		
7:00–7:12	**Talk Time: Teach Me in Four Steps**	12	Pairs (one learner teaches the group with 5 or fewer)	2 strips only
7:12–7:17	**Exit Ticket + Homework**	5	Individuals	**Never skip**
7:17–7:25	**Read & Write:** a medicine label; write 4 steps	8	Individuals, then pairs	Reading questions only; the steps become homework
7:25–7:30	**Progress Check**	5	Individuals	Do it in Week 12 at 6:00, while people arrive

Skip order if you're running behind: (1) the Read & Write writing task (it becomes homework); (2) the pair drill at the end of Grammar; (3) half of Talk Time (2 strips only). **Never skip:** the listening tasks, the grammar boxes and the mistakes table, and the exit ticket.

Attendance (15 → 7–8): every step lists both sizes. With 5 or fewer, sit at one table: one learner teaches a strip to the group, and the group mimes each step.

Step by step

Step 1 · 6:00–6:10 · Opening Talk + Homework Check · 10 min

- **Grouping:** pairs, the same partner for both parts. 15 learners: 7 pairs + 1 group of 3. 7–8 learners: 3–4 pairs.
- **Before class:** write on the board: **I'm good at... / I'm interested in... / I don't mind...** + **-ing**
- **Opening Talk (6 min):** learners open the **Opening Talk** page. A asks a card question; B answers with 2–3 sentences; A asks one follow-up. Switch after each card.
- **Model with one learner:** "What are you good at?" → (answer) → "**Can you give me an example?**"
- **Homework Check (4 min):** partners read their Lesson 9 Homework item 2 (*Tell me about yourself*) to each other. Walk around. Write 2 common errors on the board (often *good at cook* or *interested on*) and correct them together.
- **Late arrivals:** join any pair as a group of 3.
- **If behind:** one card only, then the homework check.

Step 2 · 6:10–6:18 · New Words · 8 min

- **Grouping:** whole class, then pairs. Show the New Words page.
- **Do:** point to each picture and say the word. Learners repeat once. Mime each action: **press** a button, **plug in** a cord, **turn on** a light, **turn** it **off**, put on **safety goggles**.
- **Show *step*:** count on your fingers: "Step 1, step 2, step 3."
- **Check meaning (1 min):** "You wash clothes with...?" (*detergent*) • "On a medicine bottle, you read the...?" (*label*) • "Before you log in, you type your...?" (*password*)
- **Pairs (2 min):** A says a word; B points to the picture and mimes it or makes a sentence (*Press START.*). Switch.
- **If behind:** teach the ★ words only.

Step 3 · 6:18–6:30 · Listening + "Say it" · 12 min

- **Grouping:** individuals, then pairs check.
- **Before you listen (1 min):** say: "Maria is a new worker at a supermarket. Her coworker Tom is teaching her to use a machine. What machine is it? Listen."
- **Play 1 → Task A** (what machine?). Pairs compare. Check together.
- **Read Tasks B and C together (1 min)** so learners know what to listen for.
- **Play 2 → Tasks B and C.** Pairs compare. Then show the answers (answer key).
- **"Say it" (2 min):** say: "For **th** in *then* and *the*, put your tongue between your teeth, and use your voice." Then *third*: the same tongue, no voice. Pause a little after each step. The class repeats each line in the box twice.
- **The audio plays the conversation once (about 1:15).** Press play again for play 2. A third play is fine if the class needs it.
- **If behind:** do Task C together on the board, reading the lines yourself.

Step 4 · 6:30–6:45 · Grammar Q&A · 15 min

- **Grouping:** whole class, then pairs. Show the Grammar page. The **left side is the question. The right side is the answer.**
- **Show it (2 min):** make a cup of tea in mime and say each step: "**First**, boil the water. **Next**, put the tea bag in the cup. **Then**, add the water. **After that**, wait 3 minutes. **Finally**, drink it!" Hold up one finger for each step.
- **Boxes 1 and 2 (4 min):** read a question from the left; the class answers from the right. Point out: **no *you*** and **no *-s*** in an instruction (*Press START*).
- **Box 3 (2 min):** warnings: **Don't** + verb, **Don't forget to** + verb.
- **Box 4 (1 min):** the five sequence words, in order. Say them; the class repeats.
- **Check questions:** "___, put on your goggles. (step 1)" (*First*) • "___, turn it off. (the last step)" (*Finally*) • "Don't ___ (open) the door." (*open*) • "How ___ I log in?" (*do*)
- **Practice A and B (3 min):** learners write, then pairs check. Go over the answers.
- **Pair drill (last 2 min):** A asks "How do I make rice?" (or tea, a sandwich). B answers with 3 steps and sequence words. Switch.
- **If behind:** skip the pair drill. Talk Time practices it.

Break · 6:45–7:00 · 15 min

- Write on the board: **First, ... Next, ... Then, ... After that, ... Finally, ...** and **How do I...? / What do I do next? / Don't forget to...**

Step 5 · 7:00–7:12 · Talk Time: Teach Me in Four Steps · 12 min

- **Grouping:** pairs. 15 learners: 7 pairs + 1 trio. 7–8 learners: 3–4 pairs. 5 or fewer: one learner teaches a strip to the group, and the group mimes.
- **How it works:** the Talk Time page has 4 strips. In each strip, the 4 pictures (A–D) are **not in order**. A chooses a strip, finds the right order (writes it under the strip), and teaches B with sequence words: *First, turn on the water. Next, use soap...* B mimes each step and asks *What do I do next?* Then switch with a new strip.
- **Model with one learner (1 min):** strip 1: "**First**, turn on the water." (point to B) "**Next**, use soap." (D) ... The learner mimes.
- **Rounds (8 min):** about 2 minutes per strip; each pair does all 4 strips if there is time. Walk around and listen for the sequence words.
- **Finish (2 min):** ask 2 pairs to teach one strip to the class.
- **If behind:** 2 strips only.

Step 6 · 7:12–7:17 · Exit Ticket + Homework · 5 min · NEVER SKIP

- **Exit ticket:** each learner writes **two sentences** on a slip: two steps for a task with sequence words (*First, open the app. Then, type your password.*), and one warning with *Don't* and a reason with *because* or *so* (*Don't open the door, because the water is hot.*). Collect at the door.
- **Homework:** open the Homework page. Do item 1 together (one sentence on the board). Say: "About 15 minutes. Bring it next week."

Read & Write · 7:17–7:25 · A Medicine Label and 4 Steps · 8 min

- **Grouping:** individuals, then pairs check.
- **Say first:** "This label is invented. It's for reading practice only. For real medicine, always ask a pharmacist or a doctor."
- **Read (3 min):** learners read the label and answer questions 1–5. Say: "Read fast first. Then find the answers."
- **Pairs check (1 min):** compare answers; check together.
- **Write (4 min):** learners write 4 steps for a task they know (making coffee, washing a car, sending a text) with sequence words and one *Don't*.
- **If behind:** questions 1–5 only; the steps become homework.

Progress Check · 7:25–7:30 · 5 min

- **Grouping:** individuals. Open the Progress Check page.
- **Part A:** read the 4 sentences in the answer key, slowly, 2 times each. Learners circle **a** or **b**.
- **Parts B and C:** learners do them alone. Walk around and help with the instructions only.
- **Part D:** read each "I can..." line aloud and point to the 3 faces: 😀 "I can do it." 🙂 "With a little help." 😐 "Not yet."
- **Collect the pages** (or check them at the start of Week 12).
- **If behind:** do the Progress Check in Week 12 at 6:00, while learners arrive.

Listening script: `L3_L10_listening.mp3` (about 1:15; the conversation plays once, so press play again for the second listen)

> **Audio:** play from a phone + small speaker. No speaker? Read the script with a volunteer, at a normal, friendly speed.

> **Narrator:** Lesson ten. Listening. Maria is a new worker at a supermarket. Her coworker Tom is teaching her to use a machine. Listen.
>
> **Tom:** Hi, Maria. Welcome to the team! Today I'm going to show you the floor cleaning machine. It's easy.
>
> **Maria:** Great. How do I start?
>
> **Tom:** First, put on your safety goggles. Then, fill the tank with water.
>
> **Maria:** Why do I need goggles?
>
> **Tom:** Because the detergent can hurt your eyes. Next, add one cup of detergent. Not more!
>
> **Maria:** One cup. Got it. What do I do after that?
>
> **Tom:** After that, plug it in and turn it on. A green light comes on.
>
> **Maria:** And then I just push it?
>
> **Tom:** Right. Push it slowly. Don't leave it alone when it's on.
>
> **Maria:** What do I do when I finish?
>
> **Tom:** Finally, turn it off, unplug it, and empty the tank.
>
> **Maria:** Thanks, Tom. Can I try it now?
>
> **Tom:** Sure. Press the start button, and let's go. I'll walk with you.
>
> **Narrator:** That's the end of the listening.

Teacher notes

- **The medicine label is invented (important):** it is for reading practice only. Tell learners to ask a pharmacist or a doctor about real medicine. Don't give medical advice, and don't ask learners about their own medicines.
- **Instructions have no *you* and no *-s*:** *Press START* (not *You press START* or *Presses START*). Negative: *Don't* + verb (*Don't open*).
- **Sequence words:** *first* (step 1), *next / then / after that* (the middle steps, in any order), *finally* (the last step). A comma after each one is fine but not important.
- ***Don't forget to…*** is a friendly reminder: *Don't forget to take your card.*
- **Review:** *You have to / You need to* also give instructions: *You need to plug it in first.* Accept it; don't teach it again.
- **Typical mistakes this week:** *You press START*, *Presses START*, *No open the door*, *Don't forget take*, *Final*, *turn it off*. Say the right form clearly; the learner repeats. Learners can read the Spanish note and the tip on their Grammar page themselves; you don't need to explain them.
- **Mixed levels:** stronger learners add a *Don't…* warning to each strip. Newer learners use Boxes 1 and 4 as a script.

Listening audio: synthetic voices made with Chatterbox TTS (Resemble AI, MIT License), cloned from synthetic reference clips made with Kokoro-82M (Apache License 2.0). No recordings of real people were used. Each file carries an inaudible Perth watermark marking it as AI-generated. The names and the story are invented.
