0. About This Edition

This is the complete semester: **13 lessons**, a **midterm** (Week 8), a **final** (Week 15), and **graduation** (Week 16).

- **Part B** has a teacher plan for every lesson and both exam nights. Teachers need no Spanish.
- **Part C** is the Student Workbook, with pictures, listening tasks, grammar boxes, short Spanish notes for learners, and homework.
- **Part E** has the midterm and final papers. Print them separately.
- Listening audio is available for every lesson (Lessons 1–13) and for the midterm and final listening tests. Get it on the website: each lesson page, the Downloads page, and the Exams page. The scripts are in Part B.

2. The Class Routine (Same Every Week)

2.1 Clock-time template

*The **core** runs **6:00–6:45** and **7:00–7:15** (60 minutes). It has six steps, each with room to breathe. **7:15–7:30 is optional** ("If time"). Week 1 uses a modified version (see Lesson 1).*

Clock time	Step	Minutes	What happens	Status
6:00–6:10	1. **Opening Talk + Homework Check**	10	Same partner for both. *First ~5 min:* a question about last week's lesson (late arrivals join a pair). *Next ~5 min:* compare homework. The teacher corrects **only 2** items on the board.	Core
6:10–6:18	2. **New Words**	8	Picture page: point, say, repeat; quick pair game	Core
6:18–6:30	3. **Listening + "Say it"**	12	Before you listen → Task A → Task B → Task C (grammar fill-in) → 1–2 min repeating 2 lines from the audio	Core
6:30–6:45	4. **Grammar Q&A + quick pair check**	15	Learners read the Q's; class answers; examples, common mistakes, check questions; then 3–5 min of pair practice	Core
6:45–7:00	**BREAK**	15		
7:00–7:10	5. **Talk Time**	10	The main speaking activity of the night	Core
7:10–7:15	6. **Exit Ticket + Homework**	5	One sentence on a slip; explain the homework and do item 1 together	**Never skip**
7:15–7:30	**If time** (pick in order)	0–15	① Pronunciation activity (5) ② Pair practice game, long version (5–10) ③ Extension / second Talk Time round (10)	Optional

If you're running behind, skip in this order: (1) everything in "If time"; (2) the third play of the audio, so do Task C together with the teacher reading the lines; (3) the pair check at the end of Grammar, which becomes part of the homework; (4) teach only the ★ words (the others stay on the page for home study); (5) the second half of Talk Time, so do one round only. **Never skip:** the Listening tasks, the Grammar Q&A mistakes table, and the Exit Ticket + Homework.

If you're ahead of time: go to the "If time" menu at 7:15, or let Talk Time run 5 minutes longer and switch partners once more.

Late-arrival rules: Step 1 is designed for people walking in late. A late learner joins any pair (making a group of 3) and starts talking right away. Keep 3 extra copies of every handout by the door.

2.2 Adapting to attendance (15 → 7–8 learners)

Situation	15 learners	7–8 learners	5 or fewer
Pairs	7 pairs + 1 group of 3	3–4 pairs	Pairs; the teacher joins only if one person is left
Small groups	3–4 groups of 4–5	2 groups of 3–4	One group
Circles (inside–outside)	Two circles of 7–8, or one big circle	One circle	Use "rotate seats" instead
Mingles	Each learner talks to 5–6 people	Each learner talks to everyone	Turn the mingle into a table interview
Printing	Print for the **number expected**, plus 3 spares		

> **Why attendance drops, and what helps:** adults miss class because of work and family. The homework check and opening question give returning learners a quick way back in. Each lesson's handout stands alone, so a learner who missed a week can still follow.

2.3 Assessment and progress (semester version)

Tool	When	What	Who / how long
Baseline snapshot	Weeks 1–3	Same 6 speaking prompts every time (name, from, live, work, routine, free time)	Teacher or a second volunteer, 2 minutes per learner, about 5 learners per week during Talk Time
Can-do self-check	Week 1, Week 8, Week 15	"I can..." list with 😀 🙂 😐	Learner, 5 minutes
Exit ticket	Every lesson	One sentence or question with today's grammar	Learner; teacher reads it after class
Homework	Every lesson	Short written or speaking task	Pairs check in the 6:00–6:10 opening block
Midterm	Week 8	Listening (audio), grammar (15 items), speaking (pair task + rubric) on Lessons 1–7	See Section 4.1 and Part E
Final	Week 15	Same format, all lessons, focus on 8–13; speaking uses the baseline prompts to show growth	See Section 4.1 and Part E
Speaking rubric	Midterm, final, and some Talk Times	Communication / target grammar / pronunciation and fluency, each scored 1–3	Teacher

Speaking rubric:

Score	Communication	Target grammar	Pronunciation and fluency
3	Completes the task; asks and answers follow-up questions	Uses the target form correctly most of the time	Easy to understand; few long pauses
2	Completes most of the task with some help	Uses the form, with errors that don't block meaning	Mostly understandable; some pauses
1	Needs a lot of help; very short answers	Rarely uses the form, or errors block meaning	Hard to understand without effort

Proposed graduation standard (confirm): attend at least 9 of the 13 lessons (plus the exams) and complete the final. "Ready for Level 3" = 2 or higher in all rubric areas on the final, plus 🙂 or 😀 on at least 80% of the can-do list. Learners who are not ready still graduate from the course and are encouraged to repeat Level 2.

3.2 What we dropped or moved (to fit 13 lessons)

Topic	Decision	Why
Describing people (*What's he like? / What does he look like?*)	Optional bonus worksheet; may belong in Level 1 or 3	Lower priority than survival functions; confirm with Level 1 content
Directions and prepositions of movement	Optional "If time" activity in Lesson 7	Lesson 7 already contains comparatives and travel time
a few / a little	Light mention in Lesson 9 only	Keeps Lesson 9 manageable
can / can't for ability	Dropped (probably Level 1)	Confirm with Level 1
will for offers; object pronouns	Moved to Level 3	Not essential for this level's goals
Feelings about moving	Folded into Lesson 6 (*I felt nervous / happy*)	Fits the life-story topic
Holidays and celebrations	Optional in Lesson 6 (learners choose what to share)	Optional
Telling time as a full lesson	Reviewed inside Lesson 4	Most learners know numbers; practice the language in context instead

3.3 Grammar in teaching order

1. *be* vs. *do* questions (Lesson 1) → 2. simple present + *-s* (Lesson 2) → 3. frequency adverbs (Lesson 2) → 4. *like* + *-ing*, *me too/neither* (Lesson 3) → 5. present continuous (Lesson 4) → 6. simple present vs. continuous (Lesson 4) → 7. *was/were* (Lesson 5) → 8. regular past (Lesson 5) → 9. irregular past + *did* (Lesson 6) → 10. comparatives (Lesson 7) → **midterm** → 11. superlatives (Lesson 8) → 12. count/noncount, *some/any*, *how much/many* (Lesson 9) → 13. *I'd like / Can I have* (Lesson 9) → 14. *should* (Lesson 10) → 15. *be going to* (Lesson 11) → 16. present continuous for plans (Lesson 11) → 17. *have to / need to*, *Can/Could you* (Lesson 12) → 18. tense review (Lesson 13) → **final**.

Spiral recycling: every Opening Talk reuses last week's grammar. The homework always mixes in one older point. The midterm and final review stations revisit everything.

4. Exam and Graduation Weeks

4.1 Midterm (Week 8) and Final (Week 15)

Clock time	What	Notes
6:00–6:10	**Opening Talk + Homework Check**	Same routine as every week
6:10–6:30	**Review stations** (two 10-minute rounds): ① Grammar Auction, ② Listening Replay, ③ Question / Role-Play Cards, ④ Pronunciation Bingo (midterm) or Talk Rehearsal (final). 15 learners: 4 stations; 7–8 learners: stations ② and ③	**Speaking interviews start:** the teacher (or a second volunteer) calls pairs to a quiet corner for a 3-minute task scored with the rubric. 15 learners ≈ 8 pairs ≈ 24 minutes; 7–8 learners ≈ 12 minutes
6:30–6:45	**Listening test** (8 items: circle + true/false; the audio plays 2–3 times)	Same task types as class. **No surprises**
6:45–7:00	Break	
7:00–7:15	**Grammar test** (15 items: circle the correct answer)	Speaking interviews continue with pairs who finish early. Slow readers may continue to 7:20
7:15–7:30	**If time:** finish interviews; **can-do self-check** + one goal; go over the listening answers	The self-check can go home if time is short

> **Exam-week timing:** the listening test now comes **before** the break, while learners are fresh, and the grammar test gets its own 15 minutes after the break. Stations are shorter (20 minutes) so the tests fit in the core time. The full plans are in Part B (Week 8 and Week 15); the papers are in Part E.

Confirm whether the program needs grades. We recommend a simple scale: "Meets / Almost / Not yet."

4.2 Graduation (Week 16)

- No new content. Each learner gives their **1-minute talk** prepared in Lesson 13 (or reads 2–3 sentences).
- Certificates of completion. Optional potluck: ask about allergies, and don't require anyone to bring food.
- Hand out a "Keep practicing" sheet with the website and QR codes for all audio.

PART B

Teacher Guide

Lessons 1–13 · Week 8 Midterm · Week 15 Final Exam · Week 16 Graduation

At a glance · Clock-time plan · Step by step · Script and answer key

5. Teacher Guide: How to Use the Lesson Plans

How to read these plans: Each lesson has (A) a **Teacher Plan** with clock times, steps, the listening script, and answer keys, and (B) a **Student Page** to print. The student page has the listening tasks, grammar box, Spanish note (*Nota para hispanohablantes*, written for learners to read on their own; teachers don't need to read or explain it), tips for all learners, and the homework. Audio files are in `audio/` (L1_listening.mp3 … L13_listening.mp3, plus the exam files `Midterm_listening.mp3` and `Final_listening.mp3`). Each file plays the conversation **once**; play the audio again if needed. **No speaker or device?** Read the script aloud with a volunteer learner.

Grouping toolkit: *Pairs:* turn to a neighbor; with an odd number make one group of 3. *New partners:* matching cards, or line up by birthday month and "fold" the line. *Inside–outside circles:* inner circle faces out, outer circle faces in; the outer circle moves one person clockwise each round. *Instruction rule:* **Model it** (show with one learner), **check it** (ask "Do you write or speak?"), **then go** (start the timer).

You don't need to speak Spanish. Teach in English. The Spanish notes on the student pages are for learners to read on their own. They are not something you need to read, translate, or explain.

When a learner is stuck or asks something in Spanish: (1) show it: use the picture, a gesture, or the board; (2) give one more simple English example; (3) point to the Grammar Box or the Spanish note on their page; (4) ask a classmate to help for a few seconds, then continue in English. You don't need to understand what classmates say to each other.

Where are the student pages? In **Part C: Student Workbook**. Each lesson there has four pages: New Words, Listening, Grammar, Homework. The exam papers are in **Part E: Assessment Packets**.

7:10–7:15	**Exit Ticket + Homework**	5		**Never skip**
7:15–7:30	***If time*** (in this order): ① Pronunciation ↗/↘ (5) ② Question Scramble (5) ③ Interview and Introduce (10)	0–15		Optional

> **How to use this plan:** the **core** is 6:00–6:45 and 7:00–7:15. If you fall behind, use the right-hand column. Everything after 7:15 is optional.

Step by step

Step 1 · 6:00–6:10 · Welcome + Name Chain · 10 min

- **Grouping:** two circles (15 learners) / one circle (7–8 learners).
- **Model:** "I'm Ana. I like coffee."
- **Do:** each next person repeats the previous person, then adds their own: "She's Ana. She likes coffee. I'm Carlos. I like soccer."
- **Late arrivals:** join the circle.
- **If behind:** go around once only.

Step 2 · 6:10–6:15 · Orientation: "How Our Class Works" · 5 min

- **Grouping:** whole class.
- **Cover:** class times and the break; homework every week (short!), checked at the start of class.
- **Language rule:** "**English in class. If you're stuck, a classmate can help you for a few seconds. Then back to English.**" You don't need to understand what classmates say to each other. Just smile and say "Now in English, please."
- **Also say:** phones are OK for audio and dictionary. "You can tell the truth or make it up."
- **If behind:** hand out the sheet and read the 3 key rules only.

Step 3 · 6:15–6:23 · New Words · 8 min

- **Grouping:** pairs.
- **Do:** open the Student Workbook to the New Words page. Point to each picture, say the word; learners repeat twice.
- **Pairs:** A points to a picture, B says the word. Then switch.
- **Extra example:** show the ID card for a fictional person.
- **If behind:** teach only the ★ words.

Step 4 · 6:23–6:33 · Listening + "Say it" · 10 min

- **Grouping:** individuals, then pairs check.
- **Before you listen (1 min):** "Rosa and Sam meet. What questions do they ask?" Write 2–3 guesses.
- **Listen 1 → Task A** (true/false). **Listen 2 → Task B** (circle). **Listen 3 → Task C** (write *are / do*).
- **Pairs compare** after each task.
- **"Say it" (1–2 min):** pause after "Where are you from?" and "Where do you live?" The class repeats each line twice.
- **Bridge to grammar:** "When do we use *are*? When do we use *do*?"
- **If behind:** skip the third play; do Task C together (teacher reads the 4 lines).

Step 5 · 6:33–6:45 · Grammar: be or do? · 12 min

- **Grouping:** whole class, then pairs.
- **Show:** the Grammar Box (question side / answer side).
- **Say:** "English questions need a **helper word at the front**. With *am/is/are*, move it to the front. With no *be*, **borrow *do* or *does***."
- **Q&A:** a learner reads a **Q**; the class guesses; read the **A**; write one example on the board.
- **Check questions:** "___ you like rice?" (*do*) • "___ you tired?" (*are*) • "Where ___ she work?" (*does*)
- **Pair check (last 3–4 min):** A builds a question from the box; B answers from the answer side.
- **If behind:** skip the pair check.

Break · 6:45–7:00 · 15 min

- Set up the "Find Someone Who" sheets during the break.

Step 6 · 7:00–7:10 · Talk Time: Find Someone Who · 10 min

- **Grouping:** mingle (talk to 6+ people / everyone).
- **Do:** learners turn each prompt into a correct question (*Do you live near here? / Are you a morning person?*).
- **When someone says yes:** write their name and ask **one follow-up question**. One name per row.
- **Baseline snapshot:** the teacher (or a second volunteer) uses the checklist: Can they ask a *do* question? Answer in a full sentence? Give 1 extra detail?
- **Later:** formal 2-minute baseline interviews in Weeks 2–3 (about 5 learners per week).
- **If behind:** learners talk to 4 people.

Step 7 · 7:10–7:15 · Exit Ticket + Homework · 5 min · NEVER SKIP

- **Exit ticket:** write one *be* question and one *do* question.
- **Homework:** explain it from the workbook and do item 1 together.

If time · 7:15–7:30 · pick in this order

- ① **Pronunciation (5 min):** Yes/No questions go **up ↗**; Wh- questions go **down ↘**. Hum the melody, then say the words. Pairs: A says a question, B draws the arrow in the air.
- ② **Question Scramble (5 min):** each pair builds 4 questions from an envelope of word cards.
- ③ **Interview and Introduce (10 min):** partners interview each other, then introduce the partner to a group: "This is Marta. She's from Guatemala." (Previews Lesson 2's *-s*. Don't teach it yet.)

Listening script: `L1_listening.mp3` (about 1:10; the conversation plays once, so play the audio again if needed)

> **Audio:** play from a phone + small speaker. No speaker? Read the script with a volunteer learner.

> **Narrator:** Lesson one. Listening. Rosa and Sam meet at the community center. Listen.
>
> **Rosa:** Hi! Are you new here?
>
> **Sam:** Yes, I am. I'm Sam. Nice to meet you.
>
> **Rosa:** Nice to meet you too. I'm Rosa. Where are you from, Sam?
>
> **Sam:** I'm from Honduras. And you?
>
> **Rosa:** I'm from Colombia. Where do you live?
>
> **Sam:** I live on Pine Street, near the park.
>
> **Rosa:** Oh, me too! Do you work near here?
>
> **Sam:** Yes, I do. I work at a hotel. I'm a cook. What do you do?
>
> **Rosa:** I work at a bakery. I start very early, at five in the morning!
>
> **Sam:** Wow. Do you have kids?
>
> **Rosa:** Yes, I do. I have two daughters. Are you married?
>
> **Sam:** No, I'm not. But my brother lives here with me.
>
> **Rosa:** That's nice. Well, see you in class!
>
> **Sam:** See you!

Answer key

- *Task A:* 1 T, 2 F (Honduras), 3 T, 4 F (a hotel), 5 T.
- *Task B:* 1 a cook, 2 5:00, 3 brother.
- *Task C:* 1 are, 2 do, 3 Do, 4 Are.

Teacher notes

- **Privacy:** never ask about immigration status, money, or exact addresses. *Married/single* is optional; *Do you have family here?* is an alternative.
- **Mixed levels:** stronger learners add a follow-up question to every answer; newer learners use the question cards as a script.
- **Typical mistakes from Spanish speakers:** *I have 35 years* (Spanish uses "have" for age) and *Where you live?* (Spanish questions need no helper word). These are the two most common errors this week. Write the correct form on the board, and **point learners to the Spanish note** on their Grammar page. They can read it themselves; you don't need to explain it.

> **How to use this plan:** the **core** is 6:00–6:45 and 7:00–7:15. If you fall behind, use the right-hand column. Everything after 7:15 is optional.

Step by step

Step 1 · 6:00–6:10 · Opening Talk + Homework Check · 10 min

- **Minutes 5–10:** partners ask each other their 5 homework questions.
- **Teacher:** walk around; write **only 2** corrected questions on the board.
- **If behind:** collect the homework; return it next week with one correction each.

Step 2 · 6:10–6:18 · New Words · 8 min

- **Grouping:** groups of 4–5 (15) / 2 groups (7–8).
- **Do:** New Words page: point, say, repeat twice.
- **Picture Sequence:** groups put 12 routine cards in order for a typical day and say each one aloud.
- **If time:** pairs play mime-and-guess.
- **If behind:** teach the ★ words only.

Step 3 · 6:18–6:30 · Listening + "Say it" · 12 min

- **Grouping:** individuals → pairs.
- **Before you listen:** "Marco looks tired. Why?"

Step 4 · 6:30–6:45 · Grammar: simple present + frequency · 15 min

- **Grouping:** whole class, then pairs.
- **Say:** "We use the simple present for **routines and facts**. With **he, she, it**, the verb gets an **-s**. With *does / doesn't*, the -s moves to *does*, so the main verb has **no -s**."
- **Grammar Box:** read across one row of the question side, then the answer side. Learners choose a word from each column.
- **Q&A:** learner reads Q → class guesses → read A → board example.
- **Check questions:** "*Marco takes the bus.* One day or every day?" • "She ___ (not drive)." • "*I take usually* or *I usually take*?"
- **Short Information Gap (last 5 min):** A has Rosa's week, B has Ali's. Ask 3 questions each (*What time does Rosa start work?*). Don't show papers.
- **If behind:** skip the Information Gap.

Break · 6:45–7:00 · 15 min

- Put the ALWAYS … NEVER signs on the wall during the break.

Step 5 · 7:00–7:10 · Talk Time: Frequency Line → Our Week · 10 min

- **If behind:** do "Our Week" only.

- **Exit ticket:** one sentence about a family member with *-s*.
- **Homework:** explain it and do item 1 together.

If time · 7:15–7:30 · pick in this order

> **Audio:** play from a phone + small speaker. No speaker? Read the script with a volunteer learner.

> **Narrator:** Lesson three. Listening. Kim and Carlos talk on a break at work. Listen.
>
> **Kim:** Carlos, what do you do on weekends?
>
> **Carlos:** I love playing soccer. I play every Saturday. Do you like soccer?

>
> **Kim:** I don't mind it. But I hate cleaning the house!
>
> **Carlos:** Oh, I don't mind cleaning. I listen to music when I clean.
>
> **Kim:** Good idea!

Answer key

- *Task A:* playing soccer: Carlos ✓, Kim ✗ • watching soccer on TV: Kim ✓ • cooking: Kim ✓ • dancing: Kim ✓, Carlos ✓ • rock music: Kim ✗, Carlos ✗ • cleaning: Kim ✗ (hates), Carlos ✓ (doesn't mind).
- *Task B:* 1 Me too!, 2 Me neither.
- *Task C:* Fridays; Saturday; mind.

Teacher notes

- Use music genres and artists from learners' own cultures (keep the examples general).
- *I like to cook* is also correct. At this level we practice the **-ing** form so learners learn one pattern well.
- *because* comes up naturally in Four Corners. Model it but don't teach it formally.

Break · 6:45–7:00 · 15 min

- Set chairs back to back for the phone calls during the break.

Step 5 · 7:00–7:10 · Talk Time: Phone Call Role Play · 10 min

- **Set-up:** pairs sit **back to back** (like a real phone call: no lip reading!).
- **Card A:** "You're at the bus stop. The bus is late." **Card B:** "You're at home cooking. Your kids are doing homework."

Listening script: `L4_listening.mp3` (about 1:06; the conversation plays once, so play the audio again if needed)

> **Audio:** play from a phone + small speaker. No speaker? Read the script with a volunteer learner.

> **Narrator:** Lesson four. Listening. Rosa calls Sam on the phone. Listen.
>
> **Sam:** Hello?
>
> **Rosa:** Hi, Sam! It's Rosa. Are you busy?
>
> **Sam:** A little. I'm cooking dinner. What are you doing?
>
> **Rosa:** I'm waiting for the bus. It's late again!
>
> **Sam:** Oh no. What time is it?
>
> **Rosa:** It's five forty-five. Class starts at six.
>
> **Sam:** Where are your daughters?
>
> **Rosa:** They're at home. They're doing their homework. My husband is working late today.
>
> **Sam:** Are you coming to class tonight?
>
> **Rosa:** Yes, I am! That's why I'm calling. Do you have the homework page?

> **Rosa:** Great! Can you bring it, please?
>
> **Sam:** Sure, no problem.
>
> **Rosa:** Oh! The bus is coming now. See you at six!
>
> **Sam:** See you!

Answer key

- *Task A:* 1 cooking, 2 at the bus stop, 3 5:45.
- *Task B:* 1 T, 2 F (he's working late), 3 T, 4 F (he has it / he's looking at it).
- *Task C:* cooking; are; doing; is.

Teacher notes

- Rosa and Sam are the same characters as in Lesson 1. Point this out; learners enjoy following them.
- **Typical mistake from Spanish speakers:** dropping *am/is/are* (*I cooking*), because Spanish often uses one verb word for "now." Point to the *'m* every time, and **point learners to the Spanish note** on their Grammar page.
- "Stative" verbs (*like*, *know*, *want*) usually don't take *-ing*. Don't teach this rule now. If someone says *I'm liking it*, just recast it: "Oh, you like it!"

- **Grouping:** Whole class, then pairs.
- **Say:** "For the past, *am* and *is* become **was**. *Are* becomes **were**. Most other verbs add **-ed**, the same for everyone."
- **Grammar Boxes:** read across one row of the question side, then the answer side. Learners choose a word from each column.
- **Q&A:** learner reads Q → class guesses → read A → board example.
- **Check questions:** "*She ___ tired.* was or were?" (was) • "*They ___ at home.*" (were) • "*Yesterday I ___ (watch) TV.*" (watched)

- **Report (last 3 min):** "Ana visited her family. Marco worked. **Two people** cleaned the house."
- **Privacy:** learners can tell the truth or make it up.
- **If behind:** learners talk to 3 people; skip the report.

Step 6 · 7:10–7:15 · Exit Ticket + Homework · 5 min · NEVER SKIP

- **Exit ticket:** one sentence with *was* or *were* and one sentence with an *-ed* verb about yesterday.
- **Homework:** explain it and do item 1 together.

If time · 7:15–7:30 · pick in this order

- ① **Pronunciation: three -ed sounds (5 min):** /t/ *worked*, *walked*, *cooked*; /d/ *played*, *called*, *stayed*; /ɪd/ *visited*, *waited*, *needed*. The extra syllable comes only after **t** or **d**. Hold up 1 finger for /t/, 2 for /d/, 3 for /ɪd/.
- ② **Two Truths and a Lie (5 min):** each learner writes 3 weekend sentences; one is false. The group asks *Was it fun? Were you tired?* and guesses the lie.
- ③ **Weekend Chain Story (10 min):** groups of 4–5 (15 learners) or one group (7–8) build one long story about "our crazy weekend." Each person adds one sentence with *was/were* or *-ed*.

Listening script: `L5_listening.mp3` (about 1:17; the conversation plays once, so play the audio again if needed)

> **Audio:** play from a phone + small speaker. No speaker? Read the script with a volunteer learner.

> **Narrator:** Lesson five. Listening. It is Monday morning. Kim and Marco talk at work. Listen.
>
> **Kim:** Good morning, Marco! How was your weekend?
>
> **Marco:** It was great, thanks. On Saturday, I visited my sister. We cooked a big lunch together.
>
> **Kim:** That sounds nice. Was the food good?
>
> **Marco:** Yes, it was. It was delicious! And on Sunday, I played soccer in the park. How about you? How was your weekend?
>
> **Kim:** It was boring. I was very busy. On Saturday, I worked all day.
>
> **Marco:** Oh no. And on Sunday?
>
> **Kim:** On Sunday, I cleaned the house, and I washed the clothes. In the evening, I watched a movie.
>
> **Marco:** Was it good?
>
> **Kim:** No, it wasn't. It was terrible! I stopped it after twenty minutes.
>
> **Marco:** Ha! Were you tired this morning?
>
> **Kim:** Yes, I was. I was very tired. But I'm happy it's Monday. Work is easier!

Answer key

- *Task A:* visited his sister = Marco; worked all day = Kim; played soccer = Marco; cleaned the house = Kim; watched a movie = Kim; cooked a big lunch = Marco.
- *Task B:* 1 great; 2 boring; 3 terrible; 4 20 minutes.
- *Task C:* was; cooked; Were; cleaned.

Teacher notes

- Some learners work on weekends. Accept any two days: "my days off."
- *What did you do?* appears as a fixed question today. Lesson 6 explains *did* fully. Don't teach it yet.
- **Typical mistakes from Spanish speakers:** *I was clean the house* (using *was* as a past marker) and *The movie was bored* (*boring* = the thing; *bored* = the person feels it). Write the correct form on the board and **point learners to the Spanish note** on their Grammar page.
- **Mixed levels:** stronger learners add *because*: "It was boring because I worked all day."

Lesson 6 (Week 6): My Story

At a glance

Objectives: learners can...

- use 12–15 common irregular past verbs (*went*, *got*, *had*, *met*, *felt*...)
- ask and answer *Did you...?* and *Wh-* questions in the past
- say *didn't* + verb
- use *ago* (*five years ago*)
- tell a short life story with 6 or more past sentences

Materials

- Student Workbook, Lesson 6
- irregular verb cards (base form / past form) for a memory game
- blank timeline strips (1 per learner)
- "Find Someone Who" sheet for If time
- `L6_listening.mp3` (script below; audio on the website)
- **Prep time:** 25 min.

Key vocabulary (with pictures in the Student Workbook)

grew up, *went to school*, *got a job*, *first job*, *moved (to a new city)*, *found an apartment*, *met (a friend)*, *got married*, *had a baby*, *bought (a car)*, *learned (English)*, *felt nervous*, *felt happy*, *ago (5 years ago)*.

Clock-time plan

Core = 6:00–6:45 and 7:00–7:15. Everything after 7:15 is optional ("If time").

Time	Step	Min	Grouping (15 / 7–8)	If running behind
6:00–6:10	**Opening Talk + Homework Check**: "How was your weekend? What did you do?" Then read your 6 weekend sentences	10	Pairs (same partner for both parts)	collect the homework.
6:10–6:18	**New Words**: picture page + "Life in Order"	8	Pairs	teach the ★ words only.
6:18–6:30	**Listening + "Say it"**	12	Individuals → pairs	skip the third play; do Task C together.
6:30–6:45	**Grammar: irregular past, *did*, *ago***: Grammar Boxes + Q&A, then a short Memory Game	15	Whole class, then pairs	skip the Memory Game.
6:45–7:00	BREAK	15		
7:00–7:10	**Talk Time: Timeline Interview**	10	Pairs, then groups of 4 (15) / one group (7–8)	pairs only; skip the report.
7:10–7:15	**Exit Ticket + Homework**	5		**Never skip**
7:15–7:30	***If time*** (in this order): ① Pronunciation: "Did you" → "didja" (5) ② Find Someone Who (past) (5) ③ Lie Detector (10)	0–15		Optional

> **How to use this plan:** the **core** is 6:00–6:45 and 7:00–7:15. If you fall behind, use the right-hand column. Everything after 7:15 is optional.

Step by step

Step 1 · 6:00–6:10 · Opening Talk + Homework Check · 10 min

- **Grouping:** Pairs (same partner for both parts).
- **Minutes 0–5 (review Lesson 5):** partners ask *How was your weekend? Was it fun? What did you do?*
- **Minutes 5–10:** partners read their 6 homework sentences. The listener raises a hand at every *was / were* and every *-ed*.
- **Teacher:** note 2 common errors for the board.
- **If behind:** collect the homework.

Step 2 · 6:10–6:18 · New Words · 8 min

- **Grouping:** Pairs.
- **Do:** New Words page: point, say, repeat twice.
- **Life in Order:** pairs put the life-event words in a typical order (*grew up → went to school → got a job…*). Many orders are OK.
- **If behind:** teach the ★ words only.

Step 3 · 6:18–6:30 · Listening + "Say it" · 12 min

- **Grouping:** Individuals → pairs.
- **Before you listen:** "Sam talks to Ana about her life. What questions does he ask?" Write 2 guesses.
- **Listen 1 → Task A** (put the events in order). **Listen 2 → Task B** (true/false). **Listen 3 → Task C** (fill in).
- **Ask:** "Ana says *I grew up*. What is the present?" (*grow up*)
- **"Say it" (1–2 min):** the class repeats "**When** did you move here?" and "I moved here **eight years ago**."
- **If behind:** skip the third play; do Task C together.

Step 4 · 6:30–6:45 · Grammar: irregular past, *did*, *ago* · 15 min

- **Grouping:** Whole class, then pairs.
- **Say:** "Some verbs don't use *-ed*. We learn them one by one: *go* → *went*, *get* → *got*. For questions and *no*, use **did / didn't** + the **base** verb."
- **The "one past" rule:** like the "one -s" rule. With *did / didn't*, the main verb is **not** past: *Did you **go**?* not *Did you went?*
- **Grammar Boxes + Q&A:** learner reads Q → class guesses → read A → board example.
- **Check:** "*Did you ___ (go) to school here?*" (go) • "*I ___ (meet) my wife in 2015.*" (met) • "Five years ago or ago five years?"
- **Short Memory Game (last 5 min):** pairs turn over verb cards and match *go – went*, *get – got*…
- **If behind:** skip the Memory Game.

Break · 6:45–7:00 · 15 min

- Shuffle the verb cards and hand out timeline strips during the break.

Step 5 · 7:00–7:10 · Talk Time: Timeline Interview · 10 min

- **Grouping:** Pairs, then groups of 4 (15) / one group (7–8).
- **Do (3 min):** each learner draws a timeline with 4 events (true or invented): *grew up*, *moved*, *first job*, *met*…
- **Interview (5 min):** the partner asks *When did you…? Did you…? How did you feel?* Then switch.
- **Report (2 min):** one fact about the partner: "Rosa moved here six years ago. She felt nervous."
- **Privacy:** learners choose what to share and can make it up.
- **If behind:** pairs only; skip the report.

Step 6 · 7:10–7:15 · Exit Ticket + Homework · 5 min · NEVER SKIP

- **Exit ticket:** one sentence with an irregular verb and *ago*.
- **Homework:** explain it and do the first timeline point together.

If time · 7:15–7:30 · pick in this order

- ① **Pronunciation: "Did you" → "didja" (5 min):** say *Did you* slowly, then fast: "Didja go?" Learners only need to **recognize** the fast form. Pairs: A says a fast question; B answers.
- ② **Find Someone Who (past) (5 min):** *Find someone who… moved here more than 5 years ago / had a first job before age 18 / learned to drive.* Learners ask *Did you…?*
- ③ **Lie Detector (10 min):** each learner says 3 past sentences about their life; one is false. The group asks *Did you…? When did you…?* and guesses the false one.

Listening script: `L6_listening.mp3` (about 1:08; the conversation plays once, so play the audio again if needed)

> **Audio:** play from a phone + small speaker. No speaker? Read the script with a volunteer learner.

> **Narrator:** Lesson six. Listening. Sam talks to Ana for the class newsletter. Listen.
>
> **Sam:** Ana, thank you for talking to me. Where did you grow up?
>
> **Ana:** I grew up in a small town by the sea. I went to school there.
>
> **Sam:** When did you move to this city?
>
> **Ana:** I moved here eight years ago. I came with my sister.
>
> **Sam:** Did you speak English then?
>
> **Ana:** No, I didn't. I only knew three words: hello, thank you, and pizza!
>
> **Sam:** Ha! Did you find a job quickly?
>
> **Ana:** Yes, I did. I got my first job after two weeks. I made sandwiches in a coffee shop.
>
> **Sam:** How did you feel?
>
> **Ana:** I felt nervous every day. But I met a lot of nice people.
>
> **Sam:** And you met your husband there, right?
>
> **Ana:** That's right! We got married five years ago. Now we have a little boy.
>
> **Sam:** What a story! Thank you, Ana.

Answer key

- *Task A:* 1 grew up in a small town; 2 moved to this city; 3 got her first job; 4 met her husband; 5 got married.
- *Task B:* 1 F (a small town); 2 T; 3 F (she knew three words); 4 T; 5 F (a little boy).
- *Task C:* grew; moved; didn't; felt.

Teacher notes

- **Privacy:** never ask about immigration status, documents, or *why* someone left a country. Life-story activities always allow invented answers.
- Holidays and celebrations are optional topics; let learners choose what to share.
- Teach about 15 irregular verbs only (the list on the Grammar page). More come in later lessons.
- **Typical mistakes from Spanish speakers:** *Did you went?* (two past forms) and *Ago five years* (Spanish puts *hace* first). Write the correct form on the board and **point learners to the Spanish note** on their Grammar page.

Lesson 7 (Week 7): Getting Around

At a glance

Objectives: learners can...

- ask and answer *How do you get to...? How long does it take?*
- say *by bus / by car / on foot*
- compare two things with *-er / more ... than*, *better*, *worse*
- compare their commute with a classmate's

Materials

- Student Workbook, Lesson 7
- transport picture cards (pairs)
- large paper for a class line-up (optional)
- simple map of the neighborhood (If time)
- `L7_listening.mp3` (script below; audio on the website)
- **Prep time:** 20 min.

Key vocabulary (with pictures in the Student Workbook)

by bus, *by car*, *by bike*, *on foot (walk)*, *by train*, *by taxi*, *traffic*, *fast*, *slow*, *cheap*, *expensive*, *far*, *crowded*, *comfortable*, *How long does it take?*.

Clock-time plan

Core = 6:00–6:45 and 7:00–7:15. Everything after 7:15 is optional ("If time").

Time	Step	Min	Grouping (15 / 7–8)	If running behind
6:00–6:10	**Opening Talk + Homework Check**: "Tell me 3 things from your story." Partner asks one *Did you…?* question	10	Pairs (same partner for both parts)	collect the homework.
6:10–6:18	**New Words**: picture page + "Faster or slower?"	8	Pairs	teach the ★ words only.
6:18–6:30	**Listening + "Say it"**	12	Individuals → pairs	skip the third play; do Task C together.
6:30–6:45	**Grammar: comparatives + How long does it take?**: Grammar Boxes + Q&A, then a short "Which is better?"	15	Whole class, then pairs	skip "Which is better?".
6:45–7:00	BREAK	15

7:10–7:15	**Exit Ticket + Homework**	5		**Never skip**
7:15–7:30	***If time*** (in this order): ① Pronunciation: weak -er and than (5) ② Directions mini-lesson (5) ③ Which is better? Debate (10)	0–15		Optional

> **How to use this plan:** the **core** is 6:00–6:45 and 7:00–7:15. If you fall behind, use the right-hand column. Everything after 7:15 is optional.

Step by step

Step 1 · 6:00–6:10 · Opening Talk + Homework Check · 10 min

- **Grouping:** Pairs (same partner for both parts).
- **Minutes 0–5 (review Lesson 6):** partners tell 3 sentences from their homework story. The listener asks one *Did you…?* or *When did you…?* question.
- **Minutes 5–10:** partners swap stories and underline the irregular verbs.
- **Teacher:** write 2 corrected sentences on the board (often *did* + past).
- **If behind:** collect the homework.

Step 2 · 6:10–6:18 · New Words · 8 min

- **Grouping:** Pairs.
- **Do:** New Words page: point, say, repeat twice. Note: *by bus*, *by car*, but **on foot**.
- **Faster or slower?** Hold up two cards (bike / car). Learners call out "The car is faster!" Model only; grammar comes later.
- **If behind:** teach the ★ words only.

Step 3 · 6:18–6:30 · Listening + "Say it" · 12 min

- **Grouping:** Individuals → pairs.
- **Before you listen:** "Rosa takes the bus. Carlos drives. Which is better?" Take 2 opinions.
- **Listen 1 → Task A** (circle). **Listen 2 → Task B** (car or bus?). **Listen 3 → Task C** (fill in).
- **Ask:** "Rosa says *slower*. What is the short word?" (*slow*)
- **"Say it" (1–2 min):** the class repeats "How **long** does it take?" and "The car is **fast**er than the bus."
- **If behind:** skip the third play; do Task C together.

Step 4 · 6:30–6:45 · Grammar: comparatives + How long does it take? · 15 min

- **Grouping:** Whole class, then pairs.
- **Say:** "To compare **two** things: short words add **-er**; long words use **more**. Then say **than**."
- **Board:** *fast → faster than*; *expensive → more expensive than*; *good → better*; *bad → worse*.
- **Grammar Boxes + Q&A:** learner reads Q → class guesses → read A → board example.
- **Check:** "*The bus is ___ (cheap) than the car.*" (cheaper) • "*more fast* or *faster*?" • "*bigger that* or *bigger than*?"
- **Short "Which is better?" (last 5 min):** pairs compare two cards: *A bike is cheaper than a car. A car is more comfortable.*
- **If behind:** skip "Which is better?".

Break · 6:45–7:00 · 15 min

- Clear a space along one wall for the line-up during the break.

Step 5 · 7:00–7:10 · Talk Time: Commute Survey + Line-Up · 10 min

- **Grouping:** Pairs, then whole class.
- **Survey (5 min):** pairs ask *How do you get to class? How long does it take? Is it expensive?* Then compare: "My trip is longer than Ana's trip."
- **Line-Up (5 min):** everyone stands in a line from the shortest trip to the longest, asking *How long does it take?* to find their place. (15 learners: two lines. 7–8: one line.)
- **Close:** two learners compare out loud: "Carlos's trip is shorter than my trip."
- **If behind:** do the survey only.

Step 6 · 7:10–7:15 · Exit Ticket + Homework · 5 min · NEVER SKIP

- **Exit ticket:** one comparative sentence about two ways to travel.
- **Homework:** explain it. Remind learners: **next week is the midterm** (review, not a surprise).

If time · 7:15–7:30 · pick in this order

- ① **Pronunciation: weak -er and than (5 min):** *faster* = "FAS-ter" (weak /ər/), *than* = weak /ðən/. Word stress: *ex-PEN-sive*, *COM-for-ta-ble*. Pairs say 3 comparisons.
- ② **Directions mini-lesson (5 min):** with a simple map: *How do I get to the library? Go straight. Turn left on Pine Street. It's next to the bank.* Pairs ask for 2 places.
- ③ **Which is better? Debate (10 min):** groups choose a pair (city / small town, bus / car, morning / night class) and give 3 reasons with comparatives. (15: 3 groups; 7–8: 2 groups.)

Listening script: `L7_listening.mp3` (about 1:09; the conversation plays once, so play the audio again if needed)

> **Audio:** play from a phone + small speaker. No speaker? Read the script with a volunteer learner.

> **Narrator:** Lesson seven. Listening. Rosa and Carlos talk about getting to work. Listen.
>
> **Carlos:** Rosa, how do you get to work?
>
> **Rosa:** I usually take the bus. How about you?
>
> **Carlos:** I drive. The car is faster than the bus.
>
> **Rosa:** That's true. How long does it take?
>
> **Carlos:** It takes twenty minutes by car. And by bus?
>
> **Rosa:** It takes forty-five minutes. The bus is slower, but it's cheaper. Gas is very expensive!
>
> **Carlos:** You're right. And parking is expensive too. Ten dollars a day!
>
> **Rosa:** Wow. Also, on the bus, I can read. It's more relaxing than driving.
>
> **Carlos:** Is the bus crowded?
>
> **Rosa:** In the morning, yes. It's more crowded in the morning than at night.
>
> **Carlos:** Maybe I can try my bike. A bike is cheaper than a car, and it's better for my health.
>
> **Rosa:** Yes, but it's worse in the rain!

Answer key

- *Task A:* 1 by car; 2 20 minutes; 3 45 minutes; 4 $10.
- *Task B:* faster = car; cheaper = bus; more relaxing = bus; slower = bus.
- *Task C:* faster; more; takes; better.

Teacher notes

- Some learners walk or get rides; accept every way of getting around. Don't ask about owning a car or a driver's license.
- *How long does it take?* asks about **time**. *How much does it cost?* asks about **money**. Write both on the board.
- Directions are an optional "If time" activity in this lesson.
- **Typical mistakes from Spanish speakers:** *more cheap / more fast* (Spanish uses *más* for all adjectives) and *bigger that* (Spanish *que*). Write the correct form on the board and **point learners to the Spanish note** on their Grammar page.
- **Midterm next week:** remind learners to bring their workbook and to review Lessons 1–7.

Week 8: Midterm (Review Stations + Exam)

At a glance

Objectives: learners show they can...

- understand a short conversation that uses grammar from Lessons 1–7 (8 listening items)
- choose the correct grammar form in 15 sentences
- ask and answer questions with a partner in a 3-minute speaking interview (scored with the 1–3 rubric)
- reflect on their progress with the can-do self-check and set one goal

Materials

- **Part E: Assessment Packets**: Midterm Listening Test, Grammar Test, Speaking Task Cards, Speaking Score Sheet, Can-Do Self-Check (1 per learner + 3 spares)
- Teacher copies: Speaking Interview Card, Answer Key
- `Midterm_listening.mp3` (script below; audio on the website) + phone and small speaker
- station materials (see the box below); a timer
- pencils; a quiet corner with 2 chairs + 1 for the interviewer
- **Prep time:** 40 min (set up stations before class).

No surprises

Every test item uses a task type learners know from class: circle, true/false, choose the correct word, and pair questions. Learners prepare with the **Midterm Review** pages in their workbook.

Clock-time plan

Exam nights use this plan, not the lesson template. Core = 6:00–6:45 and 7:00–7:15.

Time	Step	Min	Grouping (15 / 7–8)	If running behind
6:00–6:10	**Opening Talk + Homework Check**: "What was your favorite lesson? What is still difficult?" + last week's homework	10	Pairs	Skip the homework check
6:10–6:30	**Review Stations** (two 10-minute rounds) + **speaking interviews begin**	20	4 stations / 2 stations	One round of 20 minutes; keep interviewing
6:30–6:45	**Listening Test** (8 items; play the audio 2–3 times)	15	Individuals	**Never skip**
6:45–7:00	BREAK	15		
7:00–7:15	**Grammar Test** (15 items) + speaking interviews continue in a corner	15	Individuals	**Never skip**; slow readers may continue to 7:20
7:15–7:30	***If time*** (in this order): ① finish interviews (0–10) ② Can-Do Self-Check + one goal (5) ③ go over the listening answers (5)	0–15		Self-check can go home

> **How to use this plan:** the tests are the core. Stations are flexible. Interview learners whenever you can: during stations, during the grammar test (fast finishers first), and after 7:15.

Step by step

Step 1 · 6:00–6:10 · Opening Talk + Homework Check · 10 min

- **Grouping:** pairs (same partner for both parts).
- **Minutes 0–5:** partners ask *What was your favorite lesson? What is still difficult for you?*
- **Minutes 5–10:** partners check last week's homework.
- **Teacher:** explain tonight in one sentence: "Stations, then a listening test, then a break, then a grammar test. Speaking interviews happen during the stations."
- **If behind:** skip the homework check.

Step 2 · 6:10–6:30 · Review Stations + Speaking Interviews · 20 min

- **Grouping:** 15 learners: 4 groups at 4 stations (each group visits 2 stations). 7–8 learners: 2 groups at stations ② and ③, then switch.
- **Rounds:** two rounds of 10 minutes. Call "Change!" at 6:20.
- **Interviews:** call one pair at a time to the quiet corner (3 minutes per pair; see "Speaking interview" below). 15 learners ≈ 8 pairs ≈ 24 minutes, so about 6 pairs now and the rest after the break. 7–8 learners ≈ 4 pairs ≈ 12 minutes.
- **Second volunteer?** One person runs the stations; the other interviews.
- **If behind:** one 20-minute round only; keep interviewing.

Step 3 · 6:30–6:45 · Listening Test · 15 min · NEVER SKIP

- **Grouping:** individuals. Hand out the **Midterm Listening Test**.
- **Before you play (2 min):** read the questions aloud together. Check understanding: "Circle **one** answer."
- **Play 1 → Part A. Play 2 → Part B. Play 3 → check all answers.** Pause 30 seconds between plays.
- Collect the papers.

Break · 6:45–7:00 · 15 min

- Put a Grammar Test face down at each seat during the break.

Step 4 · 7:00–7:15 · Grammar Test · 15 min · NEVER SKIP

- **Grouping:** individuals.
- **Say:** "Circle the correct answer. 15 sentences. Take your time."
- **Interviews continue:** call the remaining pairs **when both partners finish** the test.
- **Slow readers** may continue to 7:20.

If time · 7:15–7:30 · pick in this order

- ① **Finish interviews (0–10 min):** any pair not yet interviewed.
- ② **Can-Do Self-Check (5 min):** learners complete the **Midterm Can-Do Self-Check** and write one goal. Short on time? It goes home and comes back next week.
- ③ **Go over the listening (5 min):** play the audio once more and say the answers.

Review stations: setup

Station	What learners do	7–8 learners
① **Grammar Auction**	Groups get 10 sentences from Lessons 1–7 (some correct, some wrong) and "bid" play money on the correct ones. Then they fix the wrong ones.	2 groups of 3–4 play against each other at one table
② **Listening Replay**	A phone + speaker with the Lesson 5–7 audio. Learners redo Task C from their workbook, then read the script lines aloud.	Same; one group
③ **Question Cards**	A stack of questions from every lesson (*What time do you get up? What did you do last weekend? How do you get to class?*). Learners take turns asking and answering with one follow-up.	Same; this is one of the 2 stations
④ **Pronunciation Bingo**	Bingo cards with *works / worked / walks / walked / visits / visited*… One learner calls; others mark the word they hear.	Skip (combine with Station ②)

Speaking interview (3 minutes per pair)

Procedure

- **Part 1 (1 minute, individual):** ask each learner **2 questions** from the Speaking Interview Card. A different 2 for each partner.
- **Part 2 (2 minutes, pair):** give the pair a task card. Ask your partner about **last weekend**: *How was your weekend? What did you do?* Then compare **how you get to class**: *How do you get to class? How long does it take?* Say one sentence: *My trip is …er than your trip.*
- **Follow-up:** ask one follow-up question (*Did you…? / Was it…? / Which is faster?*).
- **Score right away** on the Speaking Score Sheet: three areas, 1–3 each (total 3–9). Write one strength in "Notes."
- **Be kind:** smile, repeat a question once if needed, and never correct during the interview.

Speaking rubric (from Section 2.3):

Score	Communication	Target grammar	Pronunciation and fluency
3	Completes the task; asks and answers follow-up questions	Uses the target form correctly most of the time	Easy to understand; few long pauses
2	Completes most of the task with some help	Uses the form, with errors that don't block meaning	Mostly understandable; some pauses
1	Needs a lot of help; very short answers	Rarely uses the form, or errors block meaning	Hard to understand without effort

Listening script: `Midterm_listening.mp3` (about 1:12; play it 2–3 times)

> **Audio:** play from a phone + small speaker. No speaker? Read the script with a volunteer (not a learner).

> **Narrator:** Midterm listening. Sam meets Kim on the street. Listen.
>
> **Sam:** Kim! Hi! How are you?
>
> **Kim:** Hi, Sam! I'm great, thanks. I moved last week. I live on Maple Street now.
>
> **Sam:** Really? Do you like it?
>
> **Kim:** Yes, I love it. There's a big park near my apartment. On Sunday, I walked in the park. It was beautiful.
>
> **Sam:** Nice! Do you still work at the bank?
>
> **Kim:** Yes, I do. I work at a bank downtown. I start at eight thirty.
>
> **Sam:** How do you get to work?
>
> **Kim:** I take the train now. It's faster than the bus. It takes twenty-five minutes.
>
> **Sam:** That's good. What are you doing right now?
>
> **Kim:** I'm waiting for a delivery. My new sofa is coming today!
>
> **Sam:** Oh, nice. Do you cook in your new kitchen?
>
> **Kim:** Of course! I love cooking. Come for dinner sometime!

- **Accommodations:** read the grammar items aloud for learners who read slowly; extra time is fine. Low-literacy learners can answer the listening orally.
- Return score sheets next week with one strength and one goal for each learner.

- **Grammar Boxes + Q&A:** learner reads Q → class guesses → read A → board example.
- **Check:** "*It's ___ (big) store in town.*" (the biggest) • "*the most cheap* or *the cheapest*?" • "*Have a bank near here?*" (Is there a bank near here?)
- **Short "Class Records" (last 5 min):** pairs ask 2 questions and find a "record": *Who has the longest trip? Who has the biggest family?*
- **If behind:** skip "Class Records".

Break · 6:45–7:00 · 15 min

- Put the poster paper and markers on the tables during the break.

Step 5 · 7:00–7:10 · Talk Time: Neighborhood Guide · 10 min

- **Grouping:** Groups of 3–4 (15) / two groups (7–8).

Step 6 · 7:10–7:15 · Exit Ticket + Homework · 5 min · NEVER SKIP

- **Exit ticket:** one sentence: *The best ___ in my neighborhood is ___. It's ___ (superlative).*
- **Homework:** explain it.

If time · 7:15–7:30 · pick in this order

- ① **Pronunciation: th /ð/ in the, there (5 min):** tongue between the teeth: *the*, *there*, *this*, *that*. Not "de" or "dere." Then link *Is there a* → "Iz-there-a." Pairs ask 3 *Is there a…?* questions and answer with *the …-est*.
- ② **Gallery Walk (5 min):** groups walk around and read other posters. Each learner puts a sticky note on one place they want to try.
- ③ **Agree or Disagree (10 min):** the teacher says a superlative opinion (*The best food is pizza. Winter is the worst season.*). Learners move to "agree" or "disagree" sides and give a reason.

Listening script: `L8_listening.mp3` (about 1:09; the conversation plays once, so play the audio again if needed)

> **Audio:** play from a phone + small speaker. No speaker? Read the script with a volunteer learner.

> **Voices:** Kim, Rosa, Narrator (reused).

> **Narrator:** Lesson eight. Listening. Kim is new in the neighborhood. She asks Rosa for help. Listen.
> **Kim:** Rosa, I need some help. Where's the best supermarket around here?
> **Rosa:** Fresh Market is the biggest, and the fruit is the freshest. But it's expensive.
> **Kim:** Hmm. Is there a cheaper supermarket?
> **Rosa:** Yes. Value Foods is the cheapest. It's on Lake Street.

> **Rosa:** Yes, there are two. The closest one is on Pine Street, next to the bank.
> **Kim:** Perfect. And what's the best restaurant in town?
> **Rosa:** I think The Sunny Kitchen is the best. The food is delicious, and it's not expensive.
> **Kim:** And is there a park for my kids?
> **Rosa:** Yes! Lake Park is the most beautiful park in town. It's the best place on a sunny day.
> **Kim:** Thank you, Rosa. You're the best neighbor!

Answer key

- *Task A:* ✓ supermarket, pharmacy, restaurant, park, bank (bank = next to the pharmacy). ✗ library, post office.
- *Task B:* Fresh Market = the biggest; Value Foods = the cheapest; The Sunny Kitchen = the best restaurant; Lake Park = the most beautiful.
- *Task C:* cheapest; closest; best; most.

Teacher notes

- The listening places are invented. Learners can recommend real local places in Talk Time.
- This lesson connects with Lesson 7: *cheaper than* (two) → *the cheapest* (three or more).
- **Typical mistakes from Spanish speakers:** *the more cheap* (Spanish *el más barato*) and *Have a pharmacy near here?* (Spanish *¿Hay…?*). Write the correct form on the board and **point learners to the Spanish note** on their Grammar page.

- **Mixed levels:** stronger learners add *in town / in the city / in my neighborhood* and a reason with *because*.

Teacher notes

- Menus and prices are invented. Learners can talk about any food from their culture.
- **Diet and allergies:** let learners say *I don't eat* ___ without explaining why.
- *a coffee / a water* are common in restaurants (= a cup / a glass). Accept them in role plays.

- **Typical mistakes from Spanish speakers:** *How many money?* and *breads / rices* (Spanish counts some foods English doesn't), and *I want a coffee* sounding too direct. Write the correct form on the board and **point learners to the Spanish note** on their Grammar page.

Teacher notes

- **Language practice only, not medical advice.** Use invented role cards. Never ask learners about their real health or medicines.

- Learners may want local information (clinics, low-cost care). Share a printed list from your program if it has one; don't give medical opinions.
- "Marco Silva" is invented. Check that the TTS voice says *Silva* clearly; if not, use *Marco Green*.
- **Typical mistakes from Spanish speakers:** *I have headache* (no *a*), *My head is hurting me / Me duele* → *My head hurts*, and *You should to rest*. Write the correct form on the board and **point learners to the Spanish note** on their Grammar page.

7:15–7:30	***If time*** (in this order): ① Pronunciation: "going to" → "gonna" (5) ② Party Planning (5) ③ Excuses Game (10)	0–15		Optional

> **How to use this plan:** the **core** is 6:00–6:45 and 7:00–7:15. If you fall behind, use the right-hand column. Everything after 7:15 is optional.

Step by step

Step 1 · 6:00–6:10 · Opening Talk + Homework Check · 10 min

- **Grouping:** Pairs (same partner for both parts).
- **Minutes 0–5 (review Lesson 10):** A acts a health problem; B asks *What's the matter?* and gives advice with *should*. Switch.
- **Minutes 5–10:** partners read their homework appointment call as a role play.
- **Teacher:** write 2 corrected sentences on the board (often *should to*).
- **If behind:** collect the homework.

Step 2 · 6:10–6:18 · New Words · 8 min

- **Grouping:** Pairs.
- **Do:** New Words page: point, say, repeat twice.
- **"When?":** draw a line on the board: *now* → *tonight* → *tomorrow* → *this weekend* → *next week*. Learners say an activity for each time.
- **If behind:** teach the ★ words only.

Step 3 · 6:18–6:30 · Listening + "Say it" · 12 min

- **Grouping:** Individuals → pairs.
- **Before you listen:** "Kim calls Carlos. She invites him. Does he say yes?" Take 2 guesses.
- **Listen 1 → Task A** (circle). **Listen 2 → Task B** (true/false). **Listen 3 → Task C** (fill in).
- **"Say it" (1–2 min):** the class repeats "**Would you like to** come?" and "**I'd love to!**" / "**Sorry, I can't.**"
- **If behind:** skip the third play; do Task C together.

Step 4 · 6:30–6:45 · Grammar: going to + invitations · 15 min

- **Grouping:** Whole class, then pairs.
- **Say:** "For plans: ***am / is / are* + going to + verb**. *I'm going to visit my mother*. For fixed plans with a time, we also say *I'm working on Saturday*."
- **Invitations:** *Would you like to…?* (polite) / *Do you want to…?* (friendly). Accept: *I'd love to! / Sure!* Decline: *Sorry, I can't.* + a **reason**.
- **Grammar Boxes + Q&A:** learner reads Q → class guesses → read A → board example.
- **Check:** "*She ___ going to cook.*" (is) • "*I going to work* or *I'm going to work*?" • "*Would you like ___ (come)?*" (to come)
- **Short "Yes / No / Reason" (last 5 min):** A invites; B accepts or declines with a reason.
- **If behind:** skip "Yes / No / Reason".

Break · 6:45–7:00 · 15 min

- Hand out the planner sheets during the break.

Step 5 · 7:00–7:10 · Talk Time: Weekend Planner Mingle · 10 min

- **Grouping:** Mingle: everyone.
- **Do (2 min):** learners write 2 plans in their planner and leave the other times free.
- **Mingle (6 min):** invite classmates to fill free times: *Are you free on Saturday afternoon? Would you like to have a picnic?* Accept or decline with a reason. Write the plan + name.
- **Report (2 min):** "On Sunday I'm going to watch a game with Marco."
- **If behind:** skip the report.

Step 6 · 7:10–7:15 · Exit Ticket + Homework · 5 min · NEVER SKIP

- **Exit ticket:** one *going to* sentence about this weekend and one invitation.
- **Homework:** explain it.

If time · 7:15–7:30 · pick in this order

- ① **Pronunciation: "going to" → "gonna" (5 min):** in fast speech, *going to* sounds like "gonna." Learners **recognize** it; they don't need to say it. Play 3 sentences fast; learners write the full form.
- ② **Party Planning (5 min):** groups plan a class party: *Who is going to bring the food? We're going to play music.* Each person says one job.
- ③ **Excuses Game (10 min):** A invites with a silly idea (*Would you like to go swimming at 5 AM?*). B must decline politely with a creative reason. The group votes for the best excuse.

Listening script: `L11_listening.mp3` (about 1:05; the conversation plays once, so play the audio again if needed)

> **Audio:** play from a phone + small speaker. No speaker? Read the script with a volunteer learner.

> **Voices:** Kim, Carlos, Narrator (reused).

> **Narrator:** Lesson eleven. Listening. Kim calls Carlos. Listen.
> **Carlos:** Hello?
> **Kim:** Hi, Carlos! It's Kim. Are you free this weekend?
> **Carlos:** Hi, Kim! I'm not sure. Why?
> **Kim:** We're going to have a picnic at Lake Park on Saturday. Would you like to come?
> **Carlos:** I'd love to! What time?
> **Kim:** At two o'clock.
> **Carlos:** Great. I'm working in the morning, but I'm free in the afternoon. Is Rosa going to come?
> **Kim:** No, she isn't. She's going to visit her mother.
> **Carlos:** Okay. I'm going to bring a ball. We can play soccer!
> **Kim:** Good idea. And do you want to go to the movies on Sunday?
> **Carlos:** Sorry, I can't. I'm helping my brother on Sunday. He's moving to a new apartment.
> **Kim:** No problem. See you on Saturday!
> **Carlos:** See you then. Thanks for inviting me!

Answer key

- *Task A:* 1 a picnic; 2 Saturday; 3 2:00; 4 a ball.
- *Task B:* 1 T; 2 F (he's working in the morning); 3 F (she's going to visit her mother); 4 T; 5 F (he's helping his brother).
- *Task C:* going; love; can't; helping.

Teacher notes

- *will* is not taught here. If learners use it for offers (*I'll bring a salad*), accept it. Lesson 13 shows it in the tense helper.
- Learners can decline any real invitation in class. Practice invitations are always "pretend."

- **Typical mistakes from Spanish speakers:** *I going to work* (missing *am*), *I go to visit* (Spanish *voy a visitar* → *I'm going to visit*), and *Would you like come?* (missing *to*). Write the correct form on the board and **point learners to the Spanish note** on their Grammar page.
- **Mixed levels:** stronger learners suggest another day: *Sorry, I can't on Sunday. How about next week?*

- **Grammar Boxes + Q&A:** learner reads Q → class guesses → read A → board example.
- **Check:** "*He ___ to work tomorrow.*" (has) • "*Do I have to pay today?* — It's due on the 15th." (No, you don't have to) • "*Could you to help me?*" (Could you help me?)
- **Short "Errand List" (last 5 min):** pairs tell 3 things they have to do this week and 1 thing they don't have to do.

Step 6 · 7:10–7:15 · Exit Ticket + Homework · 5 min · NEVER SKIP

- **Homework:** explain it.

If time · 7:15–7:30 · pick in this order

- ① **Pronunciation: "have to" → "hafta" (5 min):** *have to* sounds like "HAF-tuh," *has to* → "HAS-tuh," *Could you* → "COOD-juh." Recognize first. Then **polite intonation**: requests start higher and sound friendly (*Could you HELP me, please?*); flat requests can sound rude. Pairs repeat 3 requests.
- ② **Voicemail (5 min):** learners practice leaving a message: *Hi, this is ___. My number is 555-01__. Could you call me back, please? Thank you.* Partner writes the name and number.
- ③ **Reading a bill (10 min):** pairs read a sample bill (fictional company): *What is the account number? How much do you have to pay? When is the due date?*

Listening script: `L12_listening.mp3` (about 1:31; the conversation plays once, so play the audio again if needed)

> **Audio:** play from a phone + small speaker. No speaker? Read the script with a volunteer learner.

> **Voices:** Sam, Narrator (reused); **Agent** (new role, no name, any adult voice). City Phone is an invented company. **TTS check:** Sam spells *L-O-P-E-Z* letter by letter; listen to confirm each letter is clear. The account number is read digit by digit.

> **Narrator:** Lesson twelve. Listening. Sam calls City Phone. His phone bill is too high. Listen.
>
> **Agent:** Thank you for calling City Phone customer service. How can I help you?
>
> **Sam:** Hi. I have a question about my bill. It's too high.

>
> **Sam:** Great. Could you send me a new bill, please?
>
> **Agent:** Of course. Is there anything else?
>
> **Sam:** No, that's all. Thank you very much.

Answer key

- *Task A:* 1 too high; 2 two times; 3 $45; 4 the 15th.
- *Task B:* account number 472916; last name L-O-P-E-Z.
- *Task C:* repeat; spell; have; send.

Teacher notes

- Companies, names, and numbers are invented. Use only **555-0100 to 555-0199** phone numbers in materials (reserved for fiction).
- **Privacy:** never ask learners for real account numbers, bills, or ID numbers. Role cards give invented ones.
- Many learners find phone calls the hardest real-life task. Teach the "rescue" phrases: *Could you repeat that? Could you speak more slowly? Can you spell that?*
- **Typical mistakes from Spanish speakers:** *I have to paying / I must to pay*, and *You don't have to* understood as "you must not" (Spanish *no tienes que* can mean either). Write the correct form on the board and **point learners to the Spanish note** on their Grammar page.

- **Tense helper table:** read each row together. Learners make one sentence per row about themselves.
- **Grammar Boxes + Q&A:** learner reads Q → class guesses → read A → board example.
- **Check:** "*Last year I ___ (work) at a hotel.*" (worked) • "*Next year I ___ (take) a class.*" (am going to take) • "*I am agree* or *I agree*?"
- **Short "Time Word Dice" (last 5 min):** pairs take a card with a time word and a verb (*last year + live*) and make a sentence.
- **If behind:** skip the "Time Word Dice".

Break · 6:45–7:00 · 15 min

- Put up the tense helper poster during the break.

Step 5 · 7:00–7:10 · Talk Time: Practice Graduation Talks · 10 min

- ② **Then and Now Interview (5 min):** pairs ask *Where did you live five years ago? Where do you live now? Where are you going to live in five years?*
- ③ **Dream Board (10 min):** learners draw 3 pictures (then / now / next) and explain them to a small group. Hang them up for graduation.

Listening script: `L13_listening.mp3` (about 0:59; the conversation plays once, so play the audio again if needed)

> **Audio:** play from a phone + small speaker. No speaker? Read the script with a volunteer learner.

> **Voices:** Ana, Narrator (reused).

> **Narrator:** Lesson thirteen. Listening. Ana gives a short talk at graduation. Listen.
>
> **Ana:** Good evening, everyone. My name is Ana.
>
> **Ana:** One year ago, I was very nervous. I didn't understand people at the store. I was afraid to talk on the phone.
>
> **Ana:** Then I started this class. I came to class every week. I practiced a lot with my classmates.
>
> **Ana:** Now, I work at a bakery. I talk to customers every day. I make my own appointments at the clinic. I feel proud.
>
> **Ana:** Next year, I am going to take a computer class. My goal is to get an office job. My dream is to help other people learn English.
>
> **Ana:** Thank you to my teachers and to my classmates. You helped me a lot. Thank you!

Answer key

- *Task A:* nervous = then; works at a bakery = now; makes appointments = now; computer class = next; office job = next (goal).
- *Task B:* 1 F (she was nervous); 2 T; 3 F (a bakery); 4 T; 5 F (help other people learn English).
- *Task C:* was; practiced; work; going.

Teacher notes

- This lesson reviews all the grammar from Lessons 1–12. No new grammar except *will* (shown only in the tense helper, for recognition).
- **Graduation talks are optional.** Offer three choices: alone, with a partner, or 2 sentences only. Never force a learner to speak in front of guests.
- **Typical mistakes from Spanish speakers:** *I am agree* (Spanish *estoy de acuerdo*), *I have 30 years* (age), and *In the next year* (→ *next year*). Write the correct form on the board and **point learners to the Spanish note** on their Grammar page.

Week 15: Final Exam (Review Stations + Exam)

At a glance

Objectives: learners show they can...

- understand a short conversation that uses grammar from all lessons (focus on Lessons 8–13) (8 listening items)
- choose the correct grammar form in 15 sentences
- ask and answer questions with a partner in a 3-minute speaking interview (scored with the 1–3 rubric)
- reflect on their progress with the can-do self-check and set one goal

Materials

- **Part E: Assessment Packets**: Final Listening Test, Grammar Test, Speaking Task Cards, Speaking Score Sheet, Can-Do Self-Check (1 per learner + 3 spares)
- Teacher copies: Speaking Interview Card, Answer Key
- `Final_listening.mp3` (script below; audio on the website) + phone and small speaker
- station materials (see the box below); a timer
- pencils; a quiet corner with 2 chairs + 1 for the interviewer
- **Prep time:** 40 min (set up stations before class).

No surprises

Every test item uses a task type learners know from class: circle, true/false, choose the correct word, and pair questions. Learners prepare with the **Final Review** pages in their workbook.

Clock-time plan

Exam nights use this plan, not the lesson template. Core = 6:00–6:45 and 7:00–7:15.

Time	Step	Min	Grouping (15 / 7–8)	If running behind
6:00–6:10	**Opening Talk + Homework Check**: "What was your favorite lesson? What is still difficult?" + last week's homework	10	Pairs	Skip the homework check
6:10–6:30	**Review Stations** (two 10-minute rounds) + **speaking interviews begin**	20	4 stations / 2 stations	One round of 20 minutes; keep interviewing
6:30–6:45	**Listening Test** (8 items; play the audio 2–3 times)	15	Individuals	**Never skip**
6:45–7:00	BREAK	15		
7:00–7:15	**Grammar Test** (15 items) + speaking interviews continue in a corner	15	Individuals	**Never skip**; slow readers may continue to 7:20
7:15–7:30	***If time*** (in this order): ① finish interviews (0–10) ② Can-Do Self-Check + one goal (5) ③ go over the listening answers (5)	0–15		Self-check can go home

> **How to use this plan:** the tests are the core. Stations are flexible. Interview learners whenever you can: during stations, during the grammar test (fast finishers first), and after 7:15.

Step by step

Step 1 · 6:00–6:10 · Opening Talk + Homework Check · 10 min

- **Grouping:** pairs (same partner for both parts).
- **Minutes 0–5:** partners ask *What was your favorite lesson? What is still difficult for you?*
- **Minutes 5–10:** partners check last week's homework.
- **Teacher:** explain tonight in one sentence: "Stations, then a listening test, then a break, then a grammar test. Speaking interviews happen during the stations."
- **If behind:** skip the homework check.

Step 2 · 6:10–6:30 · Review Stations + Speaking Interviews · 20 min

- **Grouping:** 15 learners: 4 groups at 4 stations (each group visits 2 stations). 7–8 learners: 2 groups at stations ② and ③, then switch.
- **Rounds:** two rounds of 10 minutes. Call "Change!" at 6:20.
- **Interviews:** call one pair at a time to the quiet corner (3 minutes per pair; see "Speaking interview" below). 15 learners ≈ 8 pairs ≈ 24 minutes, so about 6 pairs now and the rest after the break. 7–8 learners ≈ 4 pairs ≈ 12 minutes.
- **Second volunteer?** One person runs the stations; the other interviews.
- **If behind:** one 20-minute round only; keep interviewing.

Step 3 · 6:30–6:45 · Listening Test · 15 min · NEVER SKIP

- **Grouping:** individuals. Hand out the **Final Listening Test**.
- **Before you play (2 min):** read the questions aloud together. Check understanding: "Circle **one** answer."
- **Play 1 → Part A. Play 2 → Part B. Play 3 → check all answers.** Pause 30 seconds between plays.
- Collect the papers.

Break · 6:45–7:00 · 15 min

- Put a Grammar Test face down at each seat during the break.

Step 4 · 7:00–7:15 · Grammar Test · 15 min · NEVER SKIP

- **Grouping:** individuals.
- **Say:** "Circle the correct answer. 15 sentences. Take your time."
- **Interviews continue:** call the remaining pairs **when both partners finish** the test.
- **Slow readers** may continue to 7:20.

If time · 7:15–7:30 · pick in this order

- ① **Finish interviews (0–10 min):** any pair not yet interviewed.
- ② **Can-Do Self-Check (5 min):** learners complete the **Final Can-Do Self-Check** and write one goal. Short on time? It goes home and comes back next week.
- ③ **Go over the listening (5 min):** play the audio once more and say the answers.

Review stations: setup

Station	What learners do	7–8 learners
① **Grammar Auction**	10 sentences from Lessons 8–13 (some wrong). Groups bid on the correct ones and fix the wrong ones.	2 groups play against each other at one table
② **Listening Replay**	Lesson 10–12 audio on a phone + speaker. Learners redo Task B or C from their workbook.	Same; one group
③ **Role-Play Cards**	Restaurant, clinic, phone call, and invitation cards. Learners act out 2 cards and switch roles.	Same; this is one of the 2 stations
④ **Talk Rehearsal**	Learners practice their graduation talk (Lesson 13) in 1 minute; listeners give one compliment and one question.	Skip (learners practice at home)

Speaking interview (3 minutes per pair)

Procedure

- **Part 1 (1 minute, individual):** ask each learner **2 questions** from the Speaking Interview Card. A different 2 for each partner.
- **Part 2 (2 minutes, pair):** give the pair a task card. **A:** invite your partner to do something this weekend. **B:** accept or say no politely with a reason. **B:** tell A about a problem (*I have a cold. / I need cheap food. / My bill is too high.*). **A:** give advice (*You should…*) or recommend a place (*The best… is…*). Then switch.
- **Follow-up:** ask one follow-up question (*What are you going to do? Where's the best…? Did you…?*).
- **Score right away** on the Speaking Score Sheet: three areas, 1–3 each (total 3–9). Write one strength in "Notes."
- **Be kind:** smile, repeat a question once if needed, and never correct during the interview.

Speaking rubric (from Section 2.3):

Score	Communication	Target grammar	Pronunciation and fluency
3	Completes the task; asks and answers follow-up questions	Uses the target form correctly most of the time	Easy to understand; few long pauses
2	Completes most of the task with some help	Uses the form, with errors that don't block meaning	Mostly understandable; some pauses
1	Needs a lot of help; very short answers	Rarely uses the form, or errors block meaning	Hard to understand without effort

Listening script: `Final_listening.mp3` (about 1:03; play it 2–3 times)

> **Audio:** play from a phone + small speaker. No speaker? Read the script with a volunteer (not a learner).

> **Narrator:** Final listening. Rosa meets Marco at the supermarket. Listen.
> **Marco:** Hi, Rosa! How are you?
> **Rosa:** Not great. I have a headache, and I'm very tired.
> **Marco:** Oh no. You should drink water and rest. Do you need any medicine?
> **Rosa:** Yes. Is there a pharmacy near here?
> **Marco:** Yes. The closest pharmacy is next to the bank. It's also the cheapest.
> **Rosa:** Thanks. What are you buying?
> **Marco:** Some rice, six eggs, and a chicken. I'm going to cook for a party.
> **Rosa:** A party? When?
> **Marco:** On Saturday at four o'clock. It's my son's birthday. Would you like to come?
> **Rosa:** I'd love to! Can I bring something?
> **Marco:** Sure. Could you bring a salad?
> **Rosa:** Of course. How many people are going to come?
> **Marco:** About twenty. It's going to be the biggest party of the year!

Answer key

- *Listening Part A:* 1 a headache; 2 bank; 3 six; 4 4:00.
- *Listening Part B:* 1 T; 2 F (it's the cheapest); 3 F (his son); 4 T.
- *Grammar:* 1 the biggest; 2 the best; 3 Is; 4 many; 5 any; 6 Can; 7 a; 8 should; 9 hurt; 10 going to; 11 b; 12 has; 13 Could; 14 lived; 15 slower.

Teacher notes

- **Scoring:** listening 8 points + grammar 15 points = 23. Suggested scale: **Meets** 18–23, **Almost** 12–17, **Not yet** 0–11. Speaking: **Meets** = 2 or higher in all three areas.
- **Absent learners:** give the tests at 7:15 next week or let them take the listening and grammar papers home (the speaking interview needs a teacher).
- **Accommodations:** read the grammar items aloud for learners who read slowly; extra time is fine. Low-literacy learners can answer the listening orally.
- Return score sheets next week with one strength and one goal for each learner.
- **Growth:** Part 1 of the final interview uses the same 6 baseline prompts from Weeks 1–3. Compare the scores and notes with the baseline checklist and tell each learner one way they improved.

- **Ready for Level 3 (proposed, Section 2.3):** 2 or higher in all rubric areas + 🙂 or 😀 on at least 80% of the can-do list. Everyone who completes the final graduates.

Week 16: Graduation

- No new content. Each learner gives their **1-minute talk** prepared in Lesson 13 (or reads 2–3 sentences).
- Hand out certificates of completion. See Section 4.2 for the full plan.

Questions and answers

Q: How do I make a question in English?

A: Put a **helper word at the front**: *am / is / are* or *do / does*.

Q: Can I use *do* and *are* together?

A: **No, never.** ✗ *Do you are married?* ✓ *Are you married?*

Q: How do I say my age?

A: With *be*: *I'**m** 35.* (not *I have 35 years*)

Nota para hispanohablantes: En español decimos «¿Dónde vives?» sin palabra extra. En inglés la pregunta necesita **do/does** o **am/is/are** al principio: *Where **do** you live?* La edad usa **be**: *I'm 35* (no «I have 35 years»). Y siempre usa la persona: *She's from Peru* (no «Is from Peru»).

Tip for speakers of other languages: If your language makes questions with only your voice, or puts the question word at the end, remember: English needs a helper word (*do / are*) at the **beginning**.

Q: When do I add *-s* to the verb?

A: **Only with *he*, *she*, *it*** (one other person or thing). *She work**s**. Marco take**s** the bus.*

Q: How do I spell the *-s*?

Rule	Examples
Most verbs: **+s**	work → works, play → plays
-sh, -ch, -s, -x, -o: **+es**	watch → watches, go → goes, do → does
consonant + y: **-ies**	study → studies
Special	have → **has**

Q: After *doesn't* or *does*, does the verb keep the *-s*?

Does she works?	Does she **work**?
I go always to the park.	I **always go** to the park.
I am work at a restaurant.	I **work** at a restaurant.
He have two kids.	He **has** two kids.

> **Nota para hispanohablantes:** En español el verbo cambia con cada persona (*trabajo, trabajas, trabaja*). En inglés **solo cambia con he/she/it**: agrega **-s** (*she works*). ¡No olvides la

-s! Y no uses *am* con otro verbo: *I work* (no «I am work»).

Tip for speakers of other languages: If your language has no verb endings, make a habit: **he / she / it = -s**. Circle every -s in your homework.

A: A **thing** (*pizza*, *soccer*) **or** an **activity** (verb + **-ing**: *cooking*, *dancing*).

Usa **una sola** negación: *I don't like anything* (no «I don't like nothing»). *Me too* = «yo también»; *Me neither* = «yo tampoco».

Questions and answers

Q: When do I use *was* and *were*?

A: They are the past of *be*. *am / is* → **was**. *are* → **were**. *I'm tired today.* → *I **was** tired yesterday.*

Q: How do I make other verbs past?

A: Most verbs add **-ed**: *work* → *work**ed***, *clean* → *clean**ed***, *watch* → *watch**ed***.

Q: Do I add *-s* for *he* or *she* in the past?

A: **No.** The past is the **same for everyone**: *I worked. She worked. They worked.*

Q: How do I spell the *-ed*?

Rule	Examples
Most verbs: **+ed**	clean → cleaned, watch → watched
Ends in **e**: **+d**	dance → danced, live → lived
consonant + y: **-ied**	study → studied, try → tried
Short verb (1 vowel + 1 consonant): double	stop → stopped, plan → planned

Q: How do I say the *-ed*?

A: Three ways. /t/ *worked*, /d/ *played*, /ɪd/ *visited*. You hear an extra syllable **only after t or d**.

Q: What does *What did you do?* mean?

A: It asks about **activities in the past**. Answer with an *-ed* verb: *I cleaned the house.* (Lesson 6 explains *did*.)

Common mistakes

✗ Don't say	✓ Say
I was clean the house.	I clean**ed** the house.
She were tired.	She **was** tired.
We was busy.	We **were** busy.
Yesterday I work.	Yesterday I work**ed**.

Nota para hispanohablantes: En español «estuve / estaba / fui» → en inglés **was** (I, he, she, it) o **were** (you, we, they). Para otros verbos, agrega **-ed**: *I worked*, *she worked* (igual para todos, ¡sin -s!). No uses *was* con otro verbo: *I cleaned* (no «I was clean»). Y cuidado: la película es **boring** (aburrida); la persona está **bored** (aburrida).

Tip for speakers of other languages: If your language doesn't change the verb for the past, use **two signals**: a time word **and** *-ed*: *Yesterday I worked*.

Week 15: Final Exam · Speaking Interview Card (Teacher)

Part 1 · Individual (1 minute)

Ask each learner 2 questions. Use different questions for each partner.

1. What's your name? Can you spell it?
2. Where are you from?
3. Where do you live?
4. Do you work? What do you do?
5. Tell me about your day. What do you do every day?
6. What do you like doing in your free time?

These are the 6 baseline prompts from Weeks 1–3. Ask 2 or more and compare with the baseline notes.

Part 2 · Pair task (2 minutes)

- **A:** invite your partner to do something this weekend. **B:** accept or say no politely with a reason.
- **B:** tell A about a problem (*I have a cold. / I need cheap food. / My bill is too high.*). **A:** give advice (*You should…*) or recommend a place (*The best… is…*). Then switch.

Follow-up (ask one)

What are you going to do? Where's the best…? Did you…?

Rubric

Score	Communication	Target grammar	Pronunciation and fluency
3	Completes the task; asks and answers follow-up questions	Uses the target form correctly most of the time	Easy to understand; few long pauses
2	Completes most of the task with some help	Uses the form, with errors that don't block meaning	Mostly understandable; some pauses
1	Needs a lot of help; very short answers	Rarely uses the form, or errors block meaning	Hard to understand without effort

Week 15: Final Exam · Speaking Task Cards (cut apart)

Learner A	Learner B
Invite B: *Would you like to … on Saturday?*	Say yes (*I'd love to!*) or no with a reason (*Sorry, I can't. I'm…*).
Listen to B's problem. Give advice (*You should…*) or recommend a place (*The best … is …*).	Tell A a problem: *I have a cold. / I need cheap food. / My phone bill is too high.*
Ask one more question: *Where…? When…?*	Say *Thank you!* and ask A one question about next weekend.

6. Listening Audio: Free AI Voices

6.1 What we needed

The voices had to be **completely free (no paid tier required)**, with a license that clearly allows classroom use, nonprofit or commercial use, and **redistribution** (posting MP3s on a website and sharing them with learners).

6.2 Comparison

Option	Cost	License / terms for our use	Quality and ease	Verdict
Chatterbox TTS by Resemble AI (open model, runs on a computer)	Free	**MIT License** for both the code (github.com/resemble-ai/chatterbox) and the model weights (huggingface.co/ResembleAI/chatterbox). Every file it makes carries an inaudible **Perth watermark** that marks the audio as AI-generated.	Very natural, expressive voices; runs on an ordinary computer without a GPU (about 5–8 minutes per lesson, including automatic checks).	✅ **Recommended** (used for the final audio)
Kokoro-82M (open model, runs on a computer)	Free	**Apache 2.0** weights. The model card says it "can be deployed anywhere," it is used in commercial products, and it was trained only on permissive or non-copyrighted audio. The runner we used (kokoro-onnx) is MIT-licensed.	Natural voices; about 20 US English voices; runs on an ordinary laptop or server without a GPU. Each 1.5-minute clip took a few seconds.	✅ Good free backup (used for the first drafts; listeners found it a little rushed and flat)
Piper TTS (open, runs on a computer)	Free	The code is open source, but **each voice has its own license**, listed in its MODEL_CARD. The *lessac* voices come from the Blizzard 2013 dataset, which **excludes commercial use**; the maintainer says users would need a separate agreement for redistribution rights. Some voices (for example *libritts_r*) use CC BY datasets that allow commercial use **with attribution**.	Good and very fast, but you must check every voice's license	⚠️ Usable only with carefully chosen voices

Option	Cost	License / terms for our use	Quality and ease	Verdict
Microsoft Edge "Read Aloud" / edge-tts	Free	edge-tts is an **unofficial** client for Edge's Read Aloud service. Microsoft has **not** published permission to redistribute the audio, and Microsoft Q&A answers point to the paid Azure Speech service for publishing.	Excellent voices	❌ Not recommended (rights unclear)
Google Cloud Text-to-Speech	Has a monthly free allowance (e.g., 4M characters for Standard/WaveNet, 1M for Neural2/Chirp 3 HD), **but billing must be enabled** with automatic charges past the free tier	Commercial output is allowed under Google Cloud terms	Excellent	❌ Fails the "no paid tier needed" rule (needs a credit card / billing account)
TTSMaker (website)	Free up to 20,000 characters per week	The site says audio can be used "for any lawful purpose, including commercial use," with no attribution required, but it "reserv[es] the right to make adjustments" to the free policy	Easy (no install); quality varies by voice	⚠️ Acceptable backup. Save a screenshot of the terms on the day you make the audio

> **Recommendation: Chatterbox TTS** (Resemble AI), run on an ordinary computer. It is truly free, its MIT license clearly permits redistribution, and no account is needed. **Credit line:** "Audio voices: Chatterbox TTS by Resemble AI (MIT License). These are synthetic voices, not real people; the files carry an inaudible Perth watermark that marks them as AI-generated." The output of a program takes the copyright status of its input (our scripts), not of the program (GNU FAQ).

6.3 What was produced

File	Length	Speakers
`audio/L1_listening.mp3`	about 1:10	Narrator, Rosa, Sam
`audio/L2_listening.mp3`	about 0:58	Narrator, Ana, Marco
`audio/L3_listening.mp3`	about 1:05	Narrator, Kim, Carlos
`audio/L4_listening.mp3`	about 1:06	Narrator, Rosa, Sam

- Each file has a narrator intro, the conversation **once**, and an end cue. Play the audio again if needed (for example, once for each task). Lines are made one at a time, with clear pauses at commas, at the ends of sentences, and between speakers. Files are mono MP3 at 96 kbps, with even loudness.
- **Voices:** Chatterbox copies a voice from a short sample clip; the sample clips were made with Kokoro-82M (Apache 2.0). Each character keeps the same voice in every lesson.
- **Quality check:** we transcribed every file with an automatic speech recognizer and checked each line for missing or extra words and odd sounds; bad takes were remade. The transcripts match the scripts, except the recognizer spells "Ana" as "Anna" and "cumbia" as "kumbia."
- **To regenerate a file:** the scripts and the generator are in `audio/scripts.py` and `audio/processor.py` (see `audio/README.txt`).
- **Lessons 5–13 and the exam audio** were made the same way and are listed below. All 15 files are on the website (each lesson page, the Downloads page, and the Exams page). Their scripts are in Part B (each lesson's "Listening script" and the Week 8 / Week 15 plans). They are written for Chatterbox TTS: short sentences, clear punctuation, numbers spelled the way they should be spoken ("ten fifteen," "twenty-four fifty"), and the same characters (Rosa, Sam, Ana, Carlos, Marco, Kim, Narrator). New roles: **Server** (Lesson 9), **Receptionist** (Lesson 10), **Agent** (Lesson 12). **Check after generating:** Sam spelling *L-O-P-E-Z* letter by letter and the account number read digit by digit (Lesson 12), and the surname *Silva* (Lesson 10).

File	Length	Speakers
`audio/L5_listening.mp3`	about 1:17	Narrator, Kim, Marco
`audio/L6_listening.mp3`	about 1:08	Narrator, Sam, Ana
`audio/L7_listening.mp3`	about 1:09	Narrator, Carlos, Rosa
`audio/L8_listening.mp3`	about 1:09	Narrator, Kim, Rosa
`audio/L9_listening.mp3`	about 0:57	Narrator, Server, Ana, Sam
`audio/L10_listening.mp3`	about 1:01	Narrator, Receptionist, Marco
`audio/L11_listening.mp3`	about 1:05	Narrator, Carlos, Kim
`audio/L12_listening.mp3`	about 1:31	Narrator, Agent, Sam
`audio/L13_listening.mp3`	about 0:59	Narrator, Ana
`audio/Midterm_listening.mp3`	about 1:12	Narrator, Sam, Kim
`audio/Final_listening.mp3`	about 1:03	Narrator, Marco, Rosa

7. Copyright, License, and Credits

> **Not legal advice.** This section summarizes public information so the program can make informed decisions. For a definite answer, consult a qualified attorney.

7.1 Basic points

1. **Ideas and methods are free; expression is protected.** Copyright does not extend to "any idea, procedure, process, system, method of operation, concept, principle, or discovery" (17 U.S.C. § 102(b)). Common teaching approaches and standard grammar topics are free to use.
2. **Titles, names, and short phrases are not protected by copyright, but they may be trademarks.** Search the USPTO trademark database before choosing a program or curriculum name.
3. **AI-assisted materials:** the U.S. Copyright Office's January 2025 report says purely AI-generated material is not copyrightable. Human-authored expression, and creative human selection, arrangement, or modification of AI output, can be. Volunteers should edit and adapt these drafts.

7.2 Licensing our own materials

License	What others may do	Good for	Watch out
CC BY-NC-SA 4.0 *(the authors' chosen license)*	Share and adapt, with credit, **noncommercially**, and adaptations must use the same license	Free sharing with other volunteer programs	"NonCommercial" depends on the **use**, not on whether the user is a nonprofit
CC BY-SA 4.0	The same, but commercial use is also allowed	Maximum reuse	Others could sell printed copies
All rights reserved	Nothing without permission	Full control	Makes sharing harder

- **Notice used on the website and materials:** "© 2026 the authors. The authors license these materials under CC BY-NC-SA 4.0 (https://creativecommons.org/licenses/by-nc-sa/4.0/). Provided as-is for educational use, without warranty."
- **Third-party parts keep their own licenses:**
  - Vocabulary pictures: Twemoji graphics by Twitter, Inc. and other contributors, licensed under CC BY 4.0 (https://creativecommons.org/licenses/by/4.0/), **modified** (see Picture Credits). CC BY material may be used inside a work shared under CC BY-NC-SA as long as the attribution line is kept.
  - Listening audio: synthetic voices made with Chatterbox TTS by Resemble AI (MIT License). Each file carries an inaudible Perth watermark that marks it as AI-generated. Voice reference clips were made with Kokoro-82M (Apache 2.0).

- Slide font: Lexend Deca by The Lexend Project Authors, SIL Open Font License 1.1. Picture labels: DejaVu Sans (free font license).

- **Program names and logos are not covered** by the CC license.
- **Ownership:** decide who holds the copyright, the program or each volunteer author. A simple contributor agreement ("I license my contributions under CC BY-NC-SA 4.0") avoids problems later.
- **Disclaimer:** these materials are provided as-is for educational use, without warranty of any kind.

8. Student Workbook: Printing and Distribution

Assumed workbook size: about 4 pages per lesson × 13 + midterm, final, and extras ≈ **64 black-and-white pages (8.5×11)**. All prices were found online in October 2026 and **change often; verify locally.**

Option	Cost per learner (64 pp.)	Upfront	Pros	Cons
Weekly handouts, self-service copier (~$0.10–0.15/side, reported by a third-party site; not verified)	~$6.40–9.60 if everyone gets every page; **less in practice** because you print only for who comes	$0	Easy to edit weekly; print only what's needed	Someone must copy every week
Weekly handouts, full-service copy shop (Staples lists black-and-white copies from about $0.32–0.34/side)	~$20–22	$0	No volunteer copying time	Expensive
+ Binder (1-inch economy binders, 12-packs: about $2.42 each at Walmart to $3.67–4.17 at Staples)	+$2.42–4.17		Pages stay organized; reusable	Bulky; adds cost
Amazon KDP author copies (8.5×11 = "large trim"; 24–110 black-ink pages = **$2.84 per copy**, plus shipping and tax)	**≈ $2.84 + shipping**	$0 (free account)	Cheapest bound book; perfect binding	Needs a finished, stable file. Author copies are sold at print cost; check whether the title must be published (public) on Amazon (not verified). Slower to update
Lulu "print copies for your own use" (private project) (a 100-page 8.5×11 black-and-white paperback was $5.48; the cheapest shipping cited was $5.69 per order)	**≈ $4–6 + shipping** (64 pages probably less; check Lulu's calculator)	$0	Can stay **private** (not in any store)	Higher print price than KDP
Free digital (PDF, Google Doc, website pages on phones)	$0	$0	Audio and links in one place; nothing to lose	Some learners lack data or printers; writing on paper still matters
Donated printing (host site, adult-education partner, public library, an employer partner)	$0–low	Ask	Saves money	Depends on goodwill; ask early
Grants: Dollar General Literacy Foundation adult literacy grants (nonprofits, libraries, schools within 15 miles of a Dollar General store; 2026 deadline was Feb 5, 2026; next cycle reported to open January 2027)	—	Application	Can fund workbooks and supplies (one recipient used its grant for ESL workbooks and handouts)	Competitive; annual timing

Recommendation:

This semester (pilot): print **weekly lesson packets** (3-hole punched) on a self-service or donated copier, **only**

for the expected attendance + 3 spares. Give each learner a **pocket folder or a cheap binder**, and post every page and MP3 on the website (with QR codes on each page). Expected cost: roughly **$9–14 per learner** in the worst case, and less as attendance drops. This lets you fix the materials each week while you pilot them, and you won't print 15 full books when 7–8 learners finish.

Next semesters (stable version): order a **bound workbook through a Lulu private project or KDP author copies (≈ $3–6 each + shipping)**. That's cheaper than full-service copies + binder (≈ $23–26) and about the same as self-service copies + binder. Apply for a literacy grant in January to cover it.

9. Website: Hosting the Curriculum and Audio

What the site needs: lesson pages (teacher + student), printable PDFs, 13+ MP3s (≈ 15–25 MB total), QR codes for each lesson, mobile-friendly, free, and editable later.

Host	Free plan facts (from the provider's docs)	Fit
GitHub Pages	Free; published site up to 1 GB; soft bandwidth limit of 100 GB/month; not for e-commerce or SaaS (an educational site is fine)	✅ **Recommended.** Our whole site is tiny. Content is versioned (every change is saved and can be undone)
Cloudflare Pages	Free; up to 20,000 files, 25 MiB max per file, 500 builds/month; unlimited bandwidth advertised	✅ Excellent alternative; supports drag-and-drop uploads without Git
Netlify (Free)	300 credits/month **hard limit** (about 15 GB bandwidth); projects **pause** until next month if exceeded	⚠️ Works, but the site could go offline mid-month
Google Sites	Free with a Google account; no coding; audio is embedded from Google Drive (some users report mobile playback quirks)	⚠️ Best if non-technical volunteers must edit pages themselves; less control over layout and printing
