How to Use This Packet

- **The test for learners is a separate file:** `Level1_Midterm_Student_Test.pdf` (no answers). Print 1 per learner + 3 extra.
- **This packet** is for you: directions, the listening script, the answer key, and the speaking papers.
- **Audio:** `audio/L1_Midterm_listening.mp3` (about 1:23). The conversation is in the file **once**. Press play again for the next listen.
- **No Spanish needed.** The Spanish lines on the test are for learners.

Week 8: Midterm: Step by Step

What the test has

Part	What learners do	Points	Time
A. Listening	Listen to a short conversation. Circle a picture or a word (7 items). Write one number (1 item).	8	15 min (6:10–6:25)
B. Words	Look at a picture. Circle the word.	6	20 min for B + C (6:25–6:45)
C. Grammar	Circle the correct word (2 choices).	12	(with B)
D. Form	Copy the information from a practice card onto a form.	6	10 min (7:00–7:10)
Written total		**32**	**45 min**
Speaking interview	Pairs (or one-on-one) with the teacher. Scored with the rubric, not added to the written total.	3–9	3 min per pair

Covers Lessons 1–7. Every item uses only words and grammar from these lessons, and the same task types as the lessons (circle, check, write one number, copy onto a form, pair questions).

Before class (20 minutes)

1. Print the student test (1 per learner + 3). Print this packet's Speaking Task Cards (1 per pair), the Score Sheet, and the Self-Check (1 per learner).
2. Put `L1_Midterm_listening.mp3` on a phone. Connect a small speaker. Play the first seconds to check the volume.
3. Set 2 chairs and 1 chair for you in a quiet corner (for the speaking interviews).
4. Have pencils and a clock or timer.

Step 1 · 6:00–6:10 · Warm-up + first interviews · 10 min

- **Say:** "Tonight is the test. Listening, then words and grammar, then a break, then a form. Don't worry. I read everything with you."
- **Pairs** ask and answer the questions on the Speaking Interview Card (write 4 of them on the board).
- **You:** call 2–3 pairs to the quiet corner for their speaking interview (3 minutes per pair).

Step 2 · 6:10–6:25 · Listening test (Part A) · 15 min · NEVER SKIP

- Hand out the test. Learners write their name.
- **Read every item aloud** and point to the pictures: "Number 1. Marco's last name is..." Learners only look; they don't write yet.
- **Say:** "Circle **one** answer. Number 8: write the number."
- **Play 1:** learners listen only. **Play 2:** learners circle and write. **Play 3:** learners check. Wait 30 seconds between plays.
- Learners who can't read yet: read the choices aloud and let them point; you circle for them.

Step 3 · 6:25–6:45 · Words and Grammar (Parts B and C) · 20 min · NEVER SKIP

- **Part B:** say "Look at the picture. Circle the word." Read both words for each picture aloud.
- **Part C:** read each sentence aloud with "blank" for the missing word, then read the two words: "Number 1. *Blank* you from Mexico? **Are? Is?**" Learners circle. About 1 minute per item.
- Do the first item of each part together on the board as an example (a different sentence, not a test item).

Break · 6:45–7:00 · 15 min

- Collect nothing. Learners keep their test face down.

Step 4 · 7:00–7:10 · Form (Part D) + interviews · 10 min · NEVER SKIP

- **Say:** "Look at the card. Write the information on the form." Point to the first line on the card and on the form.
- Learners work alone. They may copy letters one by one; that is OK.
- **You:** start the remaining speaking interviews in the quiet corner.

If time · 7:10–7:30 · Interviews, then the Self-Check

- ① **Finish all interviews.** Learners who are waiting do the Can-Do Self-Check, then practice the Task Cards with a partner.
- ② **Collect** the tests and the self-checks. Say "Thank you! Great work!"
- ③ **Go over the listening (5 min, optional):** play the audio once more and say the answers.

Clock-time plan

Time	Step	Min	Grouping	If running behind
6:00–6:10	Warm-up (pair questions) + first speaking interviews	10	Pairs	Shorten the warm-up
6:10–6:25	**Part A: Listening** (play 2–3 times)	15	Individuals	**Never skip**; 2 plays are OK
6:25–6:45	**Parts B + C: Words and Grammar**	20	Individuals	**Never skip**; slow readers finish Part C after the break
6:45–7:00	BREAK	15		
7:00–7:10	**Part D: Form** + speaking interviews	10	Individuals	**Never skip**
7:10–7:30	Finish interviews; Can-Do Self-Check; go over the listening	20		The self-check can go home

Written test time: 15 + 20 + 10 = **45 minutes**. Interviews happen during the warm-up and after the break, while learners work alone.

Speaking interview (3 minutes per pair)

How to do it

- **Pairs** come to the quiet corner (or one learner, if there is an odd number; you are the partner).
- **How many:** 15 learners ≈ 8 pairs ≈ 24 minutes: about 3 pairs at 6:00–6:10 and 5 pairs at 7:00–7:30. 7–8 learners ≈ 4 pairs ≈ 12 minutes.
- **Part 1 (1 minute):** ask each learner **2 questions** from the Speaking Interview Card. Use different questions for each partner.
- **Part 2 (2 minutes):** give the pair a Task Card: **Shop role play: How much is it?** Learner A asks; Learner B answers. Then switch.
- **Score right away** on the Score Sheet: 3 areas, 1–3 points each (total 3–9). Write one thing the learner did well.
- **Be kind:** smile, repeat a question once, point to the picture. Don't correct during the interview.
- **Target grammar for this interview:** be questions and short answers; *How much is / are…?*, *this / these*, *It's / They're*.

Speaking rubric (same 1–3 scale as Level 2, in beginner words):

Score	Communication	Target grammar	Pronunciation and fluency
3	Answers every question; asks the partner questions	Uses the lesson phrases correctly most of the time	Easy to understand; few long stops
2	Answers most questions; needs a little help (a repeat, a gesture)	Uses the phrases with mistakes, but the meaning is clear	Mostly easy to understand; some stops
1	One-word answers or no answer, even with help	Few correct phrases, or mistakes hide the meaning	Hard to understand

A one-word answer that is correct (for example, "Guatemala.") is fine for Communication 2. Short answers like "Yes, I do." count as correct target grammar.

Listening script: `L1_Midterm_listening.mp3` (about 1:23; the conversation is in the file once, so press play again for each listen)

> **Audio:** play from a phone + small speaker. No speaker? Read the script slowly with a second adult (not a learner). Say numbers as words: *five-five-five*, *oh-one-eight-six*; *six thirty*; *twelve dollars*.

> **Narrator:** This is the midterm listening. Marco is at the adult school. He talks to the receptionist. Listen.
>
> **Receptionist:** Hello! Welcome to Riverside Adult School. What's your name?
>
> **Marco:** Hi. My name is Marco Lima.
>
> **Receptionist:** How do you spell your last name?
>

>
> **Receptionist:** What's your phone number?

>

>
> **Receptionist:** Thank you. What do you do?
>
> **Marco:** I'm a cook. I work at a restaurant.
>
> **Receptionist:** Do you have kids?
>
> **Marco:** Yes, I do. I have two kids.
>
> **Receptionist:** OK. The English class is on Tuesday and Thursday, at six thirty.
>
> **Marco:** Tuesday and Thursday, at six thirty. Great!
>
> **Receptionist:** And here's your book. It's $12.
>
> **Marco:** OK. Here's $20.
>
> **Receptionist:** Thank you. Your change is $8. See you on Tuesday!
>
> **Marco:** Thank you. Goodbye!
>
> **Narrator:** That's the end of the listening.

#	Answer	The learner hears	Lesson
1	LIMA	"L, I, M, A."	1
2	Guatemala	"I'm from Guatemala."	2
3	555-0186	"It's 555-0186."	3

5	2 kids	"I have two kids."	4
6	Tuesday + Thursday	"on Tuesday and Thursday"	6
7	6:30	"at six thirty"	6
8	12	"It's $12."	7

Scoring guide

- **1 point per item.** Part A /8 + Part B /6 + Part C /12 + Part D /6 = **/32**.
- **Listening item 8** (write): the number alone is enough (*12* or *$12*).
- **Circle items:** one clear circle (or a check, a line, or pointing that you saw) = 1 point. Two answers circled = 0.
- **Part D:** 1 point per line. Copying mistakes of one letter or one number are OK if the word is clear (*Rivrside* = 1 point). Capital or small letters both OK.
- **Suggested levels (written test): Meets** 25–32 · **Almost** 17–24 · **Not yet** 0–16. (Same percentages as the Level 2 exams.)
- **Speaking: Meets** = 2 or more in all three rubric areas.

Teacher notes

- **Read everything aloud.** This is a test of English listening and words, not of reading speed. Reading items aloud is part of the test, not extra help.
- **Learners who can't read or write yet:** they point; you circle for them and write "oral" at the top. For Part D, they copy as much as they can; give 1 point for each line with the right first letters or numbers.
- **Extra time is fine.** Slow readers can finish Part C after the break.
- **Absent learners:** give the test next week at 7:10 (play the audio for them with earbuds, 2–3 times). The interview needs a teacher.

- **Privacy:** the form uses an invented practice card. Never ask for a learner's real address, phone number, or immigration information.
- **Return the papers next week** with one strength and one goal for each learner.

Week 8: Midterm · Speaking Interview Card (Teacher)

Part 1 · Each learner (1 minute)

Ask each learner 2 questions. Use different questions for each partner.

1. What's your name?

4. What's your phone number? (a practice number is OK)
5. Do you have kids? / Do you have brothers or sisters?
6. What do you do? Where do you work?

Part 2 · Pair task (2 minutes): Shop role play: How much is it?

- Learner A: You are the shopper. Point and ask: *How much is this shirt? How much are these shoes?*

- Switch. Ask about the jacket and the pants.
