How to Use This Packet

- **The test for learners is a separate file:** `Level3_Midterm_Student_Test.pdf` (no answers, no cover page). Print 1 per learner + 3 extra.
- **This packet** is for you: directions, the listening script, the answer key, the scoring guide, and the speaking papers.
- **Audio:** the recording `L3_Midterm_listening.mp3` is not ready yet (the script is about 1:39 long). Until it is ready, read the listening script aloud two times, at a natural speed. Two readers are better: one reads the women's lines and one reads the men's lines.
- **All instructions are in English.** Read each instruction aloud once and show an example on the board if learners look unsure.

Week 8: Midterm: Step by Step

What the test has

Part	What learners do	Points	Time
A. Listening	Listen to two short conversations (a small car accident; a return at a store). Circle an answer, mark true or false, or write one word (10 items).	10	15 min (6:10–6:25)
B. Words	Complete sentences with words from a box (8 items).	8	20 min (6:25–6:45) for B + C
C. Grammar	Part 1: circle the correct words (15 items). Part 2: find and fix one mistake in each sentence (5 items).	20	(with B)
D. Reading	Read a text of about 100 words. Answer 6 questions.	6	10 min (7:00–7:10)
E. Writing	Choose one of two tasks. Write 4–5 sentences.	6	15 min (7:10–7:25)
Written total		**50**	**60 min**
Speaking interview	Pairs with the teacher, during the written parts. Scored with the rubric, not added to the written total.	3–9	4 min per pair

Covers Lessons 1–7. Listening: a small car accident (Lesson 4), an offer of help (Lesson 5) and a return at a service desk (Lesson 7). Grammar: because/so, look like/be like, object pronouns, used to, past continuous with when/while, I'll and going to, If + present, I'd like to. Reading: an incident report at work. Writing: an accident report or a text that offers help.

Before class (20 minutes)

1. Print the student test (1 per learner + 3). From this packet, print the Speaking Task Cards (1 set per pair), the Score Sheet, and the Self-Check (1 per learner).
2. The recording is not ready yet: ask a second reader to help, and read the listening script through once before class.
3. Set 2 chairs and 1 chair for you in a quiet corner (for the speaking interviews).
4. Have pencils, a clock or timer, and the class list.

Step 1 · 6:00–6:10 · Welcome and warm-up · 10 min

- **Say:** "Tonight is the test. First listening, then words and grammar, then a break, then reading and writing. I will call you in pairs for a short speaking interview."
- Warm-up: pairs ask each other 2 questions from the board (What did you do last weekend? What are you going to do next month?). Call the first pair for the interview.

Step 2 · 6:10–6:25 · A. Listening · 15 min

- Hand out the test. Learners write their name. Read the Part A instruction and the scene line aloud.
- Give 1 minute to read the questions. Play the audio (or read the script) **once**. Wait 1 minute. Play it **again**. Give 2 more minutes.
- No interviews during the listening.

Step 3 · 6:25–6:45 · B. Words and C. Grammar · 20 min

- Read the Part B and Part C instructions aloud. Show Part C2 on the board: *She are my neighbor.* → *She is my neighbor.*
- Learners work alone and quietly. Call pairs for the speaking interview (4 minutes per pair).

Step 4 · 6:45–7:00 · Break · 15 min

- Collect nothing yet: learners turn the test over. Continue interviews if needed.

Step 5 · 7:00–7:10 · D. Reading · 10 min

- Read the instruction. Learners read the text and answer. Continue interviews.

Step 6 · 7:10–7:25 · E. Writing · 15 min

- Read both tasks aloud. Learners check the box for the task they chose and write 4–5 sentences.
- Say: "Give a reason. Use because or so." At 7:23, say: "Two more minutes. Read your writing one time."

Step 7 · 7:25–7:30 · Self-check and goodbye · 5 min

- Collect the tests. Hand out the Can-Do Self-Check. Learners check the boxes and write one goal. Collect it.
- Finish any last interviews after class or at the start of the next class.

Clock-time plan

Time	Whole class	Teacher
6:00–6:10	Warm-up questions in pairs	Interview pair 1
6:10–6:25	A. Listening	Play the audio two times
6:25–6:45	B. Words, C. Grammar	Interviews
6:45–7:00	Break	Interviews if needed
7:00–7:10	D. Reading	Interviews
7:10–7:25	E. Writing	Interviews
7:25–7:30	Self-check	Collect everything

Speaking interview (4 minutes per pair)

- **Part 1 (about 2 minutes).** Ask each learner 2 of the questions on the Speaking Interview Card. After each answer, ask one follow-up question (Why? When? Who with? What happened next?).
- **Part 2 (about 2 minutes).** Give the pair one Task Card. They read it for 20 seconds and then talk to each other. You listen and only help if they stop.
- **Score** each learner on the 3 rubric areas (1–3 each, 3–9 in total). Write the score at once, before the next pair.

Speaking rubric (1–3 in each area)

Area	1	2	3
Communication	Short answers only; needs a lot of help.	Answers, but gives no reason or asks no question.	Gives reasons **and** asks or answers a follow-up question.
Target grammar	Few lesson forms; many mistakes stop the meaning.	Uses some lesson forms (used to, was …-ing, I'll, If …); mistakes do not stop the meaning.	Uses lesson forms correctly most of the time.
Pronunciation and fluency	Hard to understand; long stops.	Understandable with some effort; some stops.	Easy to understand; few stops.

From Level 3 Scope §7. Score 3–9 in total. A learner who gives a reason and then asks the partner "What about you?" or "Why?" shows Communication 3.

Scoring Guide

Written test: score bands (proposed)

Written score	Band	What it means
39–50	**Meets**	The learner can use most of the Lesson 1–7 language on their own.
26–38	**Almost**	The learner understands a lot but still needs practice. Look at which part was low.
0–25	**Not yet**	Talk with the learner. Plan extra practice before the final.

*These bands are **proposed** (about 78% and 52%, the same as the Level 1 and Level 2 exams). The program confirms them after the first classes use the test.*

Writing rubric (Part E, 6 points)

Area	0	1	2
Task	Off topic or fewer than 3 sentences.	On topic; 3 sentences, or a part of the task is missing.	Does the task in 4–5 sentences, with a reason.
Grammar	Many mistakes; the meaning is hard to follow.	Some mistakes in the lesson forms.	Uses the lesson forms for the task with few mistakes.
Clear for a reader	A reader cannot follow it.	A reader understands most of it after reading it two times.	A reader understands it on the first reading.

Spelling mistakes do not lose points if the word is clear. Score what the learner wrote, not what is missing from the model answer.

Speaking (3–9, separate from the written score)

- 7–9: strong for this level. 5–6: on track. 3–4: needs more speaking practice. *(Proposed.)*

After the midterm

- Give back the tests in the next class. Go over Part C together: learners correct their own mistakes.
- For learners in the **Not yet** band, choose 2 lessons to review with them (the lesson numbers are in the table above).
- The final exam is in Week 15 and covers all 13 lessons, with more items from Lessons 8–13.

Teacher Notes

- Midterm: the listening has two parts (Elena and her neighbor; Elena at a store). Read the scene line aloud before you play it.
- Part C2: accept any correct sentence that fixes the one mistake (for example, "I talk to her every day").
- All test items use only words and grammar taught in the Level 3 lessons. If a learner missed a lesson, look at the lesson number in the answer key before you decide what to review.
- Learners may ask what a word in an instruction means. You may explain the instruction, but not the words that are tested.
- Learners who need more time can finish Part E at the start of the next class.

Papers to Copy

Speaking Interview Card (Teacher)

Part 1. Ask each learner 2 questions. Then ask one follow-up question.

1. Tell me about your week.
2. What did you do last weekend?
3. What are you going to do next month?
4. Describe a friend. What does he or she look like? What is he or she like?
5. What was your life like as a child? What did you use to do?
6. What will you do if it rains on Saturday?

Follow-up questions: Why? When was that? Who were you with? What happened next? How did you feel?

Part 2. Give the pair one Task Card. Listen for:

- **Card A (Return an item):** I'd like to…, Could I…?, a clear reason (it's too big / it has a stain), polite answers.
- **Card B (A storm plan):** If + present, will / 'll, probably, should, because; each learner gives at least one idea and answers the other.

Speaking Task Cards

Cut out the cards. Give one card to each pair.

Card A: Return an item

Learner A is a customer. You bought a shirt. It is too big, and it has a stain. You'd like to exchange it or get a refund.

Learner B works at the service desk. Ask about the problem and the receipt. Offer an exchange or store credit.

Card B: A storm plan

A big storm is coming tonight. The power will probably go out.

Together, make a plan. Use **If..., we'll...** Say what you need (flashlight, batteries, bottled water) and why.
