Westside Neighbors Newsletter · What Should We Build on the Empty Lot?

Last Tuesday, about forty neighbors came to a community meeting at the library to talk about the empty lot on Grant Street. The city might sell the lot next year, so neighbors want to make a plan before that happens. Before the meeting, 120 people answered our survey. Many people want a community garden. Rosa Diaz, who has lived on Grant Street since 2015, said, "In my opinion, a garden is the best idea. Families could grow their own vegetables, and a garden isn't as expensive as a playground."

Other neighbors disagreed. Sam Okafor, a father of three, said, "I see your point, but our kids don't have a safe place to play. If we had a playground, kids would play outside more." At the end, the neighbors voted by raising their hands. The garden won, but only by six votes. The next meeting is on May 3 at 6:30 p.m. Everyone is welcome.

   a. at a school **b.** at the library **c.** at the empty lot
2. True or false? The city might sell the lot next year. (**True** / **False**)
3. Why does Rosa want a garden?

   a. a garden **b.** a playground **c.** a parking lot
